Our children were in middle school when we moved to Woodwind Lakes. I remember thinking how calming it was to drive into the neighborhood after a long work day or week of travel (by the way IAH is only a 25 min drive). It didn't take long for us to fall in love with our new home and community.

With so many family activities and events, our kids made fast and lifelong friends. We have 14+ years of great memories in this community, including summers at the pool, tennis courts, fall walks around and fishing in the lakes. Oh and the ducks! We've fed ducks, chased ducks, kissed and hugged the ducks, even rescued ducklings with the help of the fire department.

It's been a wonderful place to raise our 3 kids and host our extended family on holidays and special occasions. Our favorite room has been the peaceful backyard patio. We have also enjoyed the many years of lemons that our trees have produced in our own backyard.

Choosing a new home and community is an important decision, and I hope you will love this one as much as we have.
