

ORANGE COUNTY DRAINAGE DISTRICT- NOTICE TO PURCHASERS

The real property, described below, which you are about to purchase, is located in the ORANGE COUNTY DRAINAGE DISTRICT. The district has taxing authority separate from any other taxing authority, and may, subject to voter approval, issue an unlimited amount of bonds. As of this date, the most recent rate of taxes levied by the district on real property located in the district is \$0.10195 on each \$100 of assessed valuation. The total amount of bonds which has been approved by the voters and which have been or may, at this date, be issued is \$N/A.

The district has the authority to adopt and impose a standby fee on property in the district that has water, sewer, sanitary, or drainage facilities and services available but not connected and which does not have a house, building, or other improvement located thereon and does not substantially utilize the utility capacity available to the property. The district may exercise the authority without holding an election on the matter. As of this date, the amount of the standby fee is \$N/A. An unpaid standby fee is a personal obligation of the person that owned the property at the time of imposition and is secured by a lien on the property. Any person may request a certification from the district stating the amount, if any, of unpaid standby fees on a tract of property in the district.

The purpose of this district is to provide water, sewer, or drainage services within the district through the issuance of bonds payable from property taxes and user charges. The cost of these utility facilities is not included in the purchase price of your property, and these utility facilities are owned by the district. The legal description of the property for which you are acquiring is as follows:
