Agent/Owner This beautiful prior MODEL HIHGLAND HOME 4 bedroom, 3.5 bath open floor plan offers an array of upgrades and approximately 3,000 square feet of living space. With high ceilings and bright windows, this home is an entertainer's paradise; including the spacious gourmet kitchen with extended bar, 11 ft ceilings, and gorgeous fireplace. Enjoy movie nights and enter into the media room through sleek farm doors. During the summer, entertain in style with the large covered patio while resting your feet on the custom gray pavers while enjoying your large 70 foot lot. Also equipped is a custom 4 car garage that offers more than just space; there are windows with custom plantation shutters and cabinetry...
