[&]quot;Floodway" means an area that is identified on the flood insurance rate map as a regulatory floodway, which includes the channel of a river or other watercourse and the adjacent land areas that must be reserved for the discharge of a base flood, also referred to as a 100-year flood, without cumulatively increasing the water surface elevation more than a designated height.

[&]quot;Reservoir" means a water impoundment project operated by the United States Army Corps of Engineers that is intended to retain water or delay the runoff of water in a designated surface area of land.

provi	on 6. Have you (Seller) ever filed a claim for flood damage to the Property with any insurance der, including the National Flood Insurance Program (NFIP)?* ☐ yes ☑ no If yes, explain (attach anal sheets as necessary):								
Ev and	omes in high risk flood zones with mortgages from federally regulated or insured lenders are required to have flood insurance. en when not required, the Federal Emergency Management Agency (FEMA) encourages homeowners in high risk, moderate risk, d low risk flood zones to purchase flood insurance that covers the structure(s) and the personal property within the structure(s).								
Admi	on 7. Have you (Seller) ever received assistance from FEMA or the U.S. Small Business inistration (SBA) for flood damage to the Property? ☐ yes ☑ no If yes, explain (attach additional sheets essary):								
	on 8. Are you (Seller) aware of any of the following? (Mark Yes (Y) if you are aware. Mark No (N) if re not aware.)								
<u>Y N</u> □ Ø	Room additions, structural modifications, or other alterations or repairs made without necessary permits, with unresolved permits, or not in compliance with building codes in effect at the time.								
	Homeowners' associations or maintenance fees or assessments. - (1) The Texas Department of Public Safety maintains a database that the public may search, at no cost, to determine if registered sex offenders are located in certain zip code areas. To search the database, visit https://publicsite.dps.texas.gov/SexOffenderRegistry. For information concerning past criminal activity in certain areas or neighborhoods, contact the local police department.
- (2) If the Property is located in a coastal area that is seaward of the Gulf Intracoastal Waterway or within 1,000 feet of the mean high tide bordering the Gulf of Mexico, the Property may be subject to the Open Beaches Act or the Dune Protection Act (Chapter 61 or 63, Natural Resources Code, respectively) and a beachfront construction certificate or dune protection permit may be required for repairs or improvements. Contact the local government with ordinance authority over construction adjacent to public beaches for more information.
- (3) If the Property is located in a seacoast territory of this state designated as a catastrophe area by the Commissioner of the Texas Department of Insurance, the Property may be subject to additional requirements to obtain or continue windstorm and hail insurance. A certificate of compliance may be required for repairs or improvements to the Property. For more information, please review *Information Regarding Windstorm and Hail Insurance for Certain Properties* (TXR 2518) and contact the Texas Department of Insurance or the Texas Windstorm Insurance Association.
- (4) This Property may be located near a military installation and may be affected by high noise or air installation compatible use zones or other operations. Information relating to high noise and compatible use zones is available in the most recent Air Installation Compatible Use Zone Study or Joint Land Use Study prepared for a military installation and may be accessed on the Internet website of the military installation and of the county and any municipality in which the military installation is located.
- (5) If you are basing your offers on square footage, measurements, or boundaries, you should have those items independently measured to verify any reported information.
