The property located at 25400 Pine Ridge, Hockley, TX 77447 was measured by Audrey L. Herndon, SRA and state certified residential appraiser, with over 17 years of residential appraisal and measuring experience.

The gross living area (GLA) was calculated based on physical measurements that are taken using measurements to the nearest 1/10 of a foot and in accordance with the ANSI 2765-2021 standards. It is assumed to be accurate by this appraiser. These dimensions are inherently inaccurate due to rounding errors, errors in measuring devices, and adjustments that must be made to "square the drawing". The more complex the design of the improvements, the greater these errors may be.

This appraiser is not an architect or an engineer. Due to the irregular configuration of the improvements being appraised, the GLA has been calculated to the best of this appraiser's capabilities and is approximate. GLA deviation is possible from architectural plans, builder warranty, county tax authorities, or a different appraiser. The resulting GLA is an estimate only and is not to be relied upon as if fact. However, as a result of using these measuring standards, the intended user can have a reasonable degree of confidence in the results of the sketch provided.
