

DECLARATION OF COVENANTS, CONDITIONS, AND RESTRICTIONS

Described as 262.11 acres located within the James Robeson Survey, Abstract No. 100 of Liberty County, Texas as shown in the attached Exhibit A

This Declaration of Covenants, Conditions, and Restrictions is made on this the day of by Legacy Land Group, Ltd., ("Declarant"), whose mailing address is P.O. Box 1249 San Marcos, Texas 78667.

Recitals

1. Declarant is the owner of all that certain real property ("the property") located in Liberty County, Texas described as follows:

Described as 262.11 acres located within the James Robeson Survey, Abstract No. 100 of Liberty County, Texas as shown in the attached Exhibit A

- 2. The Declarant has devised a general plan for the entire Property as a whole, with specific provisions for particular parts and parcels of the Property. This general plan provides a common scheme of development designed to protect and safeguard the Property over a long period.**
- 3. This general plan will benefit the Property in general, the parcels and lots that constitute the Property, the Declarant, and each successive owner of an interest in the Property.**
- 4. Therefore, in accordance with both the doctrines of restrictive covenant and implied equitable servitude, the Declarant desires to restrict the Property according to these covenants, conditions and restrictions in furtherance of this general plan development.**

NOW, THEREFORE, it is declared that all of the Property shall be held, sold, and conveyed subject to the following easements, restrictions, covenants, and conditions:

**Article 1
Definitions**

1-1 "**Developer**" means Declarant and its successors and assigns who acquire or own the entirety of the development but will parcel it into undeveloped Lots from Declarant for the purpose of development.

1-2. "**Lot**" means the subdivided Lots within the Property identified above, as fully described in the attached "Exhibit A".

1-3 "**Owner**" means the record owner or owners of the fee simple title to any Lot or portion of a Lot in the Property.

1-4 "**Main Road**" means any county, state or otherwise publicly maintained road

1-5 "**Mobile Home**" also known as modular, prefab, or factory homes, means any prefabricated house assembled in a factory and then transported to site of use.

Article 2 Architectural Control

2-1 Architectural Review Committee. Developer shall designate and appoint an Architectural Review Committee (“ARC”) consisting of not less than two qualified persons, which shall serve at the pleasure of the Developer. The initial committee members shall be Zach Potts and Danny Verdin. In the event of death or resignation of any member of the Committee, the remaining member shall have full authority to designate a successor.

2-2 Approval of Plans and Specifications. The Architectural Review Committee must review and approve in writing all of the following projects on the Property:

(a) Construction of any building, fence, wall, or other structure.

(b) Any exterior addition, change, or alteration in any building, fence, wall, or other structure.

2-3 Written request for Approval. To obtain approval to do any of the work described in Paragraph 2-2, an Owner must submit written request to the Architectural Review Committee showing the plans and specifications for the proposed work. Such plans and specifications shall detail the nature, shape, height, materials, colors, and location of the proposed work.

2-4 Standard for Review. The Architectural Review Committee shall review written requests for proposed work in order to (1) ensure conformity of the proposal with these covenants, conditions, and restrictions and (2) ensure harmony of external design in relation to surrounding structures and topography. A written request can be rejected for providing insufficient information. The Committee shall have broad, discretionary authority to interpret and apply these standards. In rejecting a written request, the Committee should detail the reasons for rejection and suggest how the applicant could remedy the deficiencies.

Article 3 Exterior Maintenance

3-1 Exterior Maintenance. If an Owner of any Lot fails to maintain the premises in a neat and orderly manner, the Developer or the Architectural Review Committee shall have the right, through its agents and employees, to enter the Lot in order to repair, maintain, and restore the Lot, the exterior of any buildings and other improvements located on the Lot at expense of the Owner.

Article 4 Use Restrictions and Architectural Standards

4-1 Residential, Light Commercial and/or Agricultural Use Only. All Lots shall be used for single-family residential purposes, light commercial and/or agricultural uses. No retail or high traffic commercial activity shall be permitted. No commercial activities shall be permitted outside of daylight hours. However, Developer, as well as any other person engaged in the construction and sale of residences on the Property, shall have the right, during the construction and sales period, to use facilities as may be reasonably necessary or convenient for its business purpose of constructing and selling residences on the Property. Agricultural use consists of any use for agriculture that does not otherwise run afoul of the provisions of these restrictions. Air B&B, short term rentals, and other similar course activities are allowed.

4-2 Type of Buildings Permitted. . All buildings must be approved by the ARC prior to placement on

each Lot. Each Lot may not exceed one (1) single-family dwelling per two and a half (2.5) acres. _____
However, Developer, as well as any other person engaged in the construction and sale of residences on Buyer
the Property, shall have the right, during the construction and sales period, to construct and maintain
such facilities as may be reasonably necessary or convenient for its business of constructing and selling
dwelling units on the Property, including, but not limited to, offices and storage areas.

4-3 Temporary Residences During Construction. Recreational vehicles or camper trailers may be used for temporary residence for up to six (6) months. Said residences may be granted additional six (6) month extensions if the ARC deems that the residence is neat in appearance and the property is well maintained. Permission may be revoked at any time as deemed necessary by the ARC.

4-4 Design, Minimum Floor Area, and Exterior Walls. Any residence constructed on a Lot must have a ground floor area of not less than 1,200 square feet (exclusive of outbuildings, guest houses, porches, garages and servants' quarters). **All mobile homes are strictly prohibited.** All exterior colors, textures, and materials must have an architectural style which is approved by the ARC. A nice barn or workshop with living quarters within is acceptable, provided it is built from quality materials and has an architectural style which is approved by the ARC. All structures must have the exterior construction completed in its entirety within one hundred eighty (180) days from ground breaking or initial placement upon the Lot. All outbuildings, guest houses, porches, platforms, decks, stairways and garages must be architecturally compatible to the home.

4-5 Setbacks. No building shall be located on any Lot nearer to the front Lot line or nearer to the side lot line than the minimum building setback lines of:

- a. One Hundred (100) feet to the Lot line along the Main Road
- b. Twenty-Five (25) feet to all other Lot lines.

Exceptions to the minimum setbacks, as described above, may be granted by the ARC on a case-by-case basis. For purposes of this covenant, eaves, steps, and open porches shall not be considered as a part of the building; provided, however, that this shall not be construed to permit any portion of the building on any Lot to encroach upon another Lot.

4-6 Resubdivision or Consolidation. No Lot shall be resubdivided or split except as follows. Any Owner of one or more adjoining Lot may consolidate such Lot into one single-family residence building site. A Lot Owner may subdivide a Lot; however, each subdivided Lot shall have not less than Two Point Five (2.5) acres once subdivided. The location of improvements on any subdivided Lot shall comply with all restrictions, including setbacks and easements, documented herein. All subdividing by an Owner must be approved in writing by the ARC and platted to the rules and laws of the appropriate County and the State of Texas.

4-7 Driveways. All driveways are to be installed and maintained by the Owner of the Lot. This _____
includes the portion of the driveway outside of the Property and within the Right of Way of the Main Buyer
Road. Owners are responsible for obtaining a permit from the County Road & Bridge Department or TXDOT for connecting a driveway with the Main Road. Location of culverts and entrances must be approved by the ARC. The ARC has the right to remove any culvert or entry not approved.

4-8 On-Site Sewage Facility. Prior to occupancy of a home or any livable building, each Lot Owner _____
shall construct, install and maintain an On-Site Sewage Facility ("OSSF") in accordance with the Buyer
specifications for same as established by the laws of the State of Texas and the rules and regulations of the appropriate County. The Owner is responsible for obtaining a permit, approval, and inspection of

the OSSF from the appropriate County & City's Health District. If such OSSF complies with such specifications, but still emits foul or noxious odors or unsafe liquid onto Main Roads, ditches or adjoining Lots, such OSSF shall be modified so as to eliminate such foul or noxious odors or unsafe liquid. The OSSF will be considered in violation of these restrictions if it does not have the proper permits, approval, inspection, and/or if the OSSF emits foul or noxious odors.

4-9 Obnoxious or Offensive Activities Prohibited. No obnoxious or offensive activities shall be carried on upon said Lot or Lots, nor shall anything be done thereon which may be or become an annoyance or a nuisance to the neighborhood.

4-10 Prohibited Residential Uses. Any structure not approved for residential use by the Architectural Review Committee, including but not limited to trailers, single-wide mobile homes, motor homes, basements, tents, shacks, garages, and other outbuildings and accessor structures, shall not be used on any Lot at any time as a residence, either temporarily or permanently.

4-11 Fence. No fence, hedge, wall or other dividing instrument over eight (8) feet in height measured from the ground on which it stands shall be constructed or maintained on any Lot. The ARC must approve fences as provided in Article 2. No construction of the fence may begin until the specifications and a site plan showing the location of the fence have been submitted to and approved, in writing, by the ARC. Any fence installed, regardless of height or length, without the prior approval of the ARC and deemed in violation of these restrictions is subject to being removed, without notice, at expense of the owner.

4-12 Surface Mining and Natural Resources. It is expressly forbidden by these restrictions to mine surface or subsurface minerals or soils by strip-mining or by any other method, for resale from any Lot within the Property. This restriction is inclusive of caliche or other similarly known soil materials. This restriction does not prohibit the pumping of ground water for consumption upon the lot wherein the well is located. Groundwater may only be used for private domestic use. No private water source may be connected to a public water source. Marketable timber, including firewood, shall not be sold without express prior written permission from the ARC; however, owners may dispose of timber for building sites and gardens, but must leave ample trees for shade over Lot.

4-13 Rubbish, Trash, and Garbage. No rubbish, trash, garbage or other waste material shall be kept on any Lot except in sanitary containers located in appropriate areas concealed from the public view. If a violation occurs, the ARC will notify the Lot owner about removal. If the rubbish, trash, or garbage is not removed, the ARC will enter the property and clean it up at the expense of the Lot owner.

4-14 Animals. The raising or keeping of hogs on any part of the Subdivision is strictly prohibited. No pets shall be kept, bred or maintained for any commercial purposes.

(a) The raising of livestock shall be allowed, but shall be limited to one (1) animal unit per acre. An animal unit shall be calculated as follows:

- i. one (1) cow;
- ii. one (1) bull;
- iii. two (2) five hundred (500) pound calves;
- iv. three (3) sheep or goats;
- v. one (1) horse;
- vi. two (2) foals one (1) year old or younger;

- vii. any animal with un-weaned offspring shall be considered a single animal unit; and
- viii. one (1) head for any animal not already listed, except for swine which shall be limited to one head per Lot.
- ix. five (5) chickens in addition to one (1) of the aforementioned animal units.

(b) If any member of an owner's family is under the age of nineteen (19) and is a bona-fide member of a 4-H Club or Future Farmers of America Club, then, as an exception to 4.14 (a), one animal per each bona-fide member shall be permitted for the purpose of raising each animal for competition or as part of a club project, provided that the animal shall be removed from the Lot upon completion of the competition or club project.

(c) Exotic game shall be allowed upon the property, with the exception of those that would affect the health, safety and or welfare of any of the Owners within the Property.

(d) Dogs, cats or other common household pets are excluded from the term "livestock" and "animal unit" provided they are kept, bred or maintained for non-commercial purposes.

(e) Any and all animals, including household pets, require appropriate fencing to confine them to their Lot. No animal shall be permitted until the appropriate fencing is completed. It is each Owner's responsibility to install a gate and/or cattle guard to prevent cattle or other livestock from getting onto the Main Roads. It is further the responsibility of the Owner who installs a gate to keep it closed at all times.

(f) All Lots, pens, and other areas where cattle or livestock are kept or raised shall be kept and maintained in a neat and clean condition reasonably free from odors and shall be periodically sprayed or otherwise treated to restrict and minimize flies and other insects so as not to become a nuisance to Owners of the Lots.

4-15 Vehicles/Trailers. No repairing of motor vehicles requiring more than seven (7) days to complete shall be permitted on any Lot. No motor vehicle shall be left parked, abandoned or otherwise unattended in a specific location on any portion of any Lot or street within the Subdivision for more than seven (7) days. No motor vehicle, which is not in operating condition or not bearing current license plate and registration, shall be placed or permitted to remain on the Main Road or on any portion of any Lot. Restoration of vehicles is permitted providing all work, parts and framework are done in an enclosed garage. Any RVs, Boats, travel trailers or Class C type or style vehicle (dump trucks, 18-wheelers, etc.) shall be parked a minimum of fifty feet (50') from any Lot boundary line. No junk yards, auto salvage yards, waste facilities or metal scrap yards shall be permitted.

4-16 Mobile Homes. All mobile homes are strictly prohibited.

Buyer

Article 5 Easements

5-1 Reservation of Easements. Easements for installation and maintenance of utilities, including electric provider, telephone lines, etc., are reserved by Declarant. No shrubbery, fence, or other obstruction shall be placed in any easement or alleyway. Right of use for ingress and egress shall be available at all times over any dedicated easement or alleyway for purposes of installing, operating, maintaining, repairing, or removing any utility or any obstruction placed in such easement or alleyway that would interfere with the installation, maintenance, operation, or removal of such utility. The Owner of such Lot, except for maintenance of which a public utility is responsible, therein shall continuously maintain the area of each Lot and all improvements.

(a) Easements are defined as:

1. Thirty foot (30') wide area on the sides of each Lot that share a common boundary line with a Main Road; and
2. Fifteen foot (15') wide area on the sides of each Lot that share a common boundary line with another Lot.
3. Thirty foot (30') wide area on the sides of each Lot that do not share a common boundary line with another Lot, for the benefit of utilities.

Article 6 General Provisions

6-1 Enforcement. The Developer, the ARC, or any Owner shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, and reservations imposed by this Declaration. Declarant shall not have an obligation to enforce any of these provisions at law or in equity, and nothing herein shall be construed as compelling the Declarant to enforce any of these provisions. Failure to enforce any covenant or restriction shall not be deemed a waiver of the right of enforcement either with respect to the violation in question or any other violation. All waivers must be in writing and signed by the party to be bound.

6-2 Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no way affect any other provision, and all other provisions shall remain in full force and effect.

6-3 Covenants Running with the Land. These easements, restrictions, covenants, and conditions are for the purpose of protecting the value and desirability of the Property. Consequently, they shall run with the real property and shall be binding on all parties having any right, title, or interest in the Property in whole or in part, and their heirs, successors, and assigns. These easements, covenants, conditions, and restrictions shall be for the benefit of the Property, each Lot, and each Lot Owner.

6-4 Duration and Amendment. The covenants, conditions, and restrictions of this Declaration shall be effective for a term of 20 years from the date this Declaration is recorded, after which period the covenants, conditions, and restrictions shall be automatically extended for successive periods of 20 years subject to termination by an instrument signed by more than 75 percent of the Owners. The covenants, conditions, and restrictions of this Declaration may be amended by an instrument signed by more than 75 percent of the Lot Owners. Further, Declarant reserves the right to unilaterally amend these Restrictions for five (5) years from the effective date hereof in order to make necessary alterations, corrections of typographical or grammatical errors, oversight, ambiguity or inconsistency appearing herein, provided that any such unilateral amendment by the Declarant shall be consistent with and in furtherance of the general plan and scheme of development of the acreage. Neither any

amendment nor any termination shall be effective until recorded in the real property records of Liberty County, Texas, and all requisite governmental approvals, if any, have been obtained.

6-5 **Attorneys' Fees.** If any controversy, claim, or dispute arises relating to this instrument, its breach, or enforcement, the prevailing party shall be entitled to recover from the losing party reasonable expenses, attorneys' fees, and costs.

6-6 **Liberal Interpretation.** This Declaration shall be liberally construed to effectuate its purpose of creating a uniform plan for the Property.

This Declaration is executed this 7 day of July 2021
