The Houston

Approximately 1,671 Square Feet

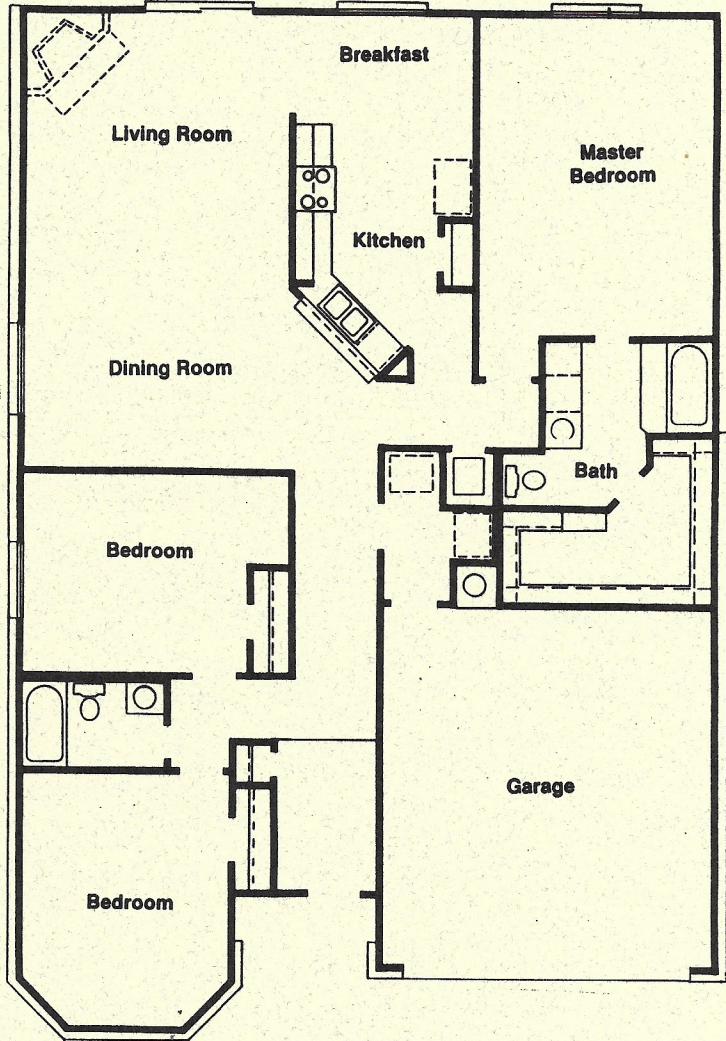

The Houston offers three bedrooms, two baths, a large living and dining area, a spacious kitchen with a morning room and an indoor utility room. The living and dining area serves as a center for family activity and includes a pass-through serving bar from the kitchen. The large master suite is separated from the secondary bedrooms and offers an oversized closet.

All square footage is approximate. In a continuing program to improve each home we build, Espree Homes reserves the right to change specifications and designs without notice. Front windows may vary per elevation.
