

Welcome New Owner(s),

I grew up in this home, married, then later, started my own family here. We have filled this home with so many cherished memories, as well as an abundance of laughter, joy, and love.

We have enjoyed that the home is so close to the park, so we can play soccer and volleyball anytime we like, just steps away.

The home's location is ideal. You will be close to amazing shopping, restaurants, retail, fitness centers, medical care, farmer's market, and so much more. It is a real plus being conveniently located just minutes from The Grand Parkway/ Highway 99, as well as I-10.

Warmly,
