Paint may be color matched to existing brick or siding upon request and approval by the Associations Board of Directors. If a homeowner wishes to use a paint color not included on the approved paint color chart, the homeowner must submit a paint chip of the desired color to the Board of Directors for approval. All exterior painting including the painting of front doors must be approved before any work may begin. The Association reserves the right to refuse the use of unauthorized paint colors and reserves the right to make changes to any unauthorized painting at the homeowners' expense.
