

TOP TEN THINGS I LOVE ABOUT MY HOME ...

1. Location of the home is ideally nestled on a quiet culdesac and conveniently close to restaurants and shopping
2. Great neighbors. Everyone looks out for each other. Police officer on the corner.
3. Compliments on the curb appeal and interior of the home from just about everyone who has entered.
4. Pet free home (no pets from original owner nor myself)
5. The home is warm and cozy
6. Open floor plan with natural light
7. Flex room is perfect for office or game room
8. Stays cool during hot summers (solar panels help)
9. Birds enjoy the backyard :)
10. Landscaping/trees. Lattice along the fence provides privacy.
