# What Does the Assessment Include?

The Assessment for Country
Grove townhomes includes
the yard maintenance,
insurance, irrigation, future
replacement cost savings
(reserves), and other expenses
as detailed in the budget
copy included in this
informational guide.

The assessments as listed in the approved 2021 budget are based on the square footage of the home and can range from \$245-\$310 per month.

# What Kind of Insurance Policy Do I need vs What Does the Association Include?

- The Association maintains the windstorm and general liability insurance policies for all townhomes. As the Association is responsible for the repair and replacement of the roof for each home, we must maintain a common policy.
- The Association utilizes a broker annually to review coverage options. Management can provide a copy of the Association's COI upon request.
- The HOA policy will cover, fire, wind/hail, hurricane and other weather-related disasters.

- Homeowners in our community will need to discuss obtaining an "H06" type of personal insurance. This will cover general liability coverage, as well as your personal belongings or any damages resulting from an event not covered by the HOA policy.
- If you have high replacement cost personal items, or upgrades to your home-please speak to your agent about higher coverage levels.
- Ask your agent about any available rider policies that you can obtain.
