Re: 111 Mae Circle South
Crystal Beach, TX 77650

.....

The property owner, Mary Ann Rader, contracted with Mike Robinson to conduct an inspection of the On-Site Sewage Facility (OSSF) on the property located at the above address. That inspection showed the OSSF to be in good working condition. Therefore, an OSSF permit from this office will not be required at this time. However, in the event that the septic system should fail, it will be necessary for the homeowner to apply for a new permit and bring the septic system up to code.

If you have any questions, do not hesitate to contact the Galveston County Health District at (409)938-2300.
