

What we love about our Neighborhood

- Organized neighborhood garage sales 2-3 annually
- Very family friendly neighborhood, Halloween the streets are packed full of trick or treaters, neighbors are all very involved. July 4th and Independence Day as well, lots of block parties throughout the neighborhood.
- Giant hill in the park, you can sit out there after dark and watch the movies being played at the drive-in theater.
- Large dog park over in the newest section.
- During spring and summer months a neighborhood farmers market is held every weekend with lots of vendors.
