

## SELLER'S DISCLOSURE NOTICE

OTexas Association of REALTONSE, Inc. 2010

Section 5.008, Property Code requires a seller of residential property of not more than one dwelling unit to deliver a Seller's Disclosure Notice to a buyer on or before the effective date of a contract. This form complies with and contains additional disclosures which exceed the minimum disclosures required by the Code.

Concerning the P	Property at Waller, TX 77484
If the answer to a	ny of the items in Section 3 is yes, explain (attach additional sheets if necessary):
*A single block	able main drain may cause a suction entrapment hazard for an individual.
Section 4. Are y which has not to necessary):	you (Seller) aware of any item, equipment, or system in or on the Property that is in need of repair open previously disclosed in this notice?yesno If yes, explain (attach additional sheets in the property of the pro
	·
wholly or partly	you (Seller) aware of any of the following conditions?* (Mark Yes (Y) if you are aware and check as applicable. Mark No (N) if you are not aware.)
Proce	ent flood insurance coverage (if yes, attach TXR 1414).
Previ	ous flooding due to a failure or breach of a reservoir or a controlled or emergency release of from a reservoir.
Previ	ous flooding due to a natural flood event (if yes, attach TXR 1414).
Previ	ous water penetration into a structure on the Property due to a natural flood event (if yes, attach 1414).
	ed wholly partly in a 100-year floodplain (Special Flood Hazard Area-Zone A, V, A99, AE AO, /E, or AR) (if yes, attach TXR 1414).
Locat	ed wholly partly in a 500-year floodplain (Moderate Flood Hazard Area-Zone X (shaded)).
	ed wholly partly in a floodway (if yes, attach TXR 1414).
	ed wholly partly in a flood pool.
Locat	ed wholly partly in a reservoir.
If the answer to an	ny of the above is yes, explain (attach additional sheets as necessary):
*For purposes	of this notice:
"100-year flood which is design	plain" means any area of land that: (A) is identified on the flood insurance rate map as a special flood hazard area, nated as Zone A, V, A99, AE, AO, AH, VE, or AR on the map; (B) has a one percent annual chance of flooding, ered to be a high risk of flooding; and (C) may include a regulatory floodway, flood pool, or reservoir.
area, which is	plain" means any area of land that: (A) is identified on the flood insurance rate map as a moderate flood hazard designated on the map as Zone X (shaded); and (B) has a two-tenths of one percent annual chance of flooding, ered to be a moderate risk of flooding.
"Flood pool" me subject to contr	eans the area adjacent to a reservoir that lies above the normal maximum operating level of the reservoir and that is olled inundation under the management of the United States Army Corps of Engineers.
"Flood insurance under the Natio	se rate map" means the most recent flood hazard map published by the Federal Emergency Management Agency nal Flood Insurance Act of 1968 (42 U.S.C. Section 4001 et seq.).
of a river or oth	ans an area that is identified on the flood insurance rate map as a regulatory floodway, which includes the channel er watercourse and the adjacent land areas that must be reserved for the discharge of a base flood, also referred to lood, without cumulatively increasing the water surface elevation more than a designated height.
	ans a water impoundment project operated by the United States Army Corps of Engineers that is intended to retain he runoff of water in a designated surface area of land.

## ADDITIONAL NOTICES TO BUYER:

- (1) The Texas Department of Public Safety maintains a database that the public may search, at no cost, to determine if registered sex offenders are located in certain zip code areas. To search the database, visit <a href="https://publicsite.dps.texas.gov/SexOffenderRegistry">https://publicsite.dps.texas.gov/SexOffenderRegistry</a>. For information concerning past criminal activity in certain areas or neighborhoods, contact the local police department.
- (2) If the Property is located in a coastal area that is seaward of the Gulf Intracoastal Waterway or within 1,000 feet of the mean high tide bordering the Gulf of Mexico, the Property may be subject to the Open Beaches Act or the Dune Protection Act (Chapter 61 or 63, Natural Resources Code, respectively) and a beachfront construction certificate or dune protection permit may be required for repairs or improvements. Contact the local government with ordinance authority over construction adjacent to public beaches for more information.
- (3) If the Property is located in a seacoast territory of this state designated as a catastrophe area by the Commissioner of the Texas Department of Insurance, the Property may be subject to additional requirements to obtain or continue windstorm and hail insurance. A certificate of compliance may be required for repairs or improvements to the Property. For more information, please review Information Regarding Windstorm and Hail Insurance for Certain Properties (TXR 2518) and contact the Texas Department of Insurance or the Texas Windstorm Insurance Association.
- (4) This Property may be located near a military installation and may be affected by high noise or air installation compatible use zones or other operations. Information relating to high noise and compatible use zones is available in the most recent Air Installation Compatible Use Zone Study or Joint Land Use Study prepared for a military installation and may be accessed on the Internet website of the military installation and of the county and any municipality in which the military installation is located.
- (5) If you are basing your offers on square footage, measurements, or boundaries, you should have those items independently measured to verify any reported Information.
