

HOUSTON PUBLIC WORKS

Houston Permitting Center - Code Enforcement

The applicant, by the making, executing, and submitting this application to Houston Public Works, represents and warrants that the proposed construction described in said application is not in violation of or contrary to any deed restriction or covenant running with the land in which the herein described lot, tract or parcel of land is situated.

The Applicant further represents and warrants to the City of Houston and to the property owners lying and situated within the addition or subdivision in which the herein tract of land is situated, that such application, and the erection of the herein described construction and the eventual use thereof will not be used for any purpose which is prohibited by the deed restriction or covenants running with the land within such subdivision or addition.

The Applicant accepts this building permit subject to the foregoing representation and warranties and agrees that if such construction or use be in violation of any deed restrictions or covenants running with land that such building permit shall automatically become null and void without the necessity of any action on the part of the City of Houston or the property owner(s).
