

## *What We Love About Our Home!*

9302 Wheatfield Lane  
Rosenberg, TX, 77469

We've had the pleasure of living here for the last five years and have become very familiar with the area, and it has certainly blossomed during our time living here. We wanted to share a few tidbits that you may or not be aware of, which we hope you will appreciate!

- Kroger, HEB, and Aldi's are all in Brazos Town Center, which is a 6 minute drive.
- There are a plethora of different types of restaurants in Brazos Town Center, but even more in the sweet little town of Richmond just a couple more minutes down the road.
- We are within walking distance to a couple of the pop-up parks, as well as the rec center!
- We're part of the "**maroon track**" for schools! All kiddos in high school that live in Bonbrook are zoned for George Ranch.
- This is a small town feel, without being too small. Everyone is super friendly.
- We're a 35 minute drive to the Zoo in Houston which is a must! We are also a 15 minute drive to the Sugar Land location of the Museum of Science.

Please let us know if you have any further questions!
