Si Environmental,LLC www.sienv.com 832-490-1600 Customer Care 832-490-1601 24/7 Emergency 1-877-382-7414 Toll Free www.ncmud.com 888-946-4835 Payments Run your irrigation system during the morning hours, especially if you use sprinklers. Less water is lost to evaporation when the temperature is cooler, plus in most areas the wind doesn't blow as hard in the mornings. Watering in the evenings can lead to turf and plant disease problems because the water sits on the plants all night, especially in humid climates.
