This certification is made only to the above named parties for purchase and/or mortgage of the herein delineated property by the above named purchaser. No responsibility or liability is assumed by SURVEYOR for use of this survey for any other purpose than that above stated, including, but not limited to, use of the survey for survey affidavit, resale of the property, or to any other person not listed in the certification, either directly or indirectly. Lines shown and labeled "Deed Lines" are the lines as located from the deeds, plats and other information furnished to the SURVEYOR by Client or his agents. This certification does not take into consideration additional facts that an accurate and correct title search and/or examination might disclose including, but not limited to, descriptions contained in deeds for adjacent properties. There were no aboveground visible encroachments observed at the time of survey except for those shown hereon. The sketch shown hereon does not necessarily contain all of the information obtained or developed by the SURVEYOR in his field work, office work or research. Subject to the above conditions, I hereby certify that the survey work performed on the project shown hereon was performed either by me or under my direct supervision and control, and all information shown is true and correct to the best of my knowledge and belief.
