

A little more to know you will love...

This home was renovated by the owners with the beach life in mind whether you are staying for the weekend or a lifetime!

All contents of the under-house storage unit are included including the lawn mower, paddleboard, Trek Mountain bike and canoe. This area was constructed in 2021 to accommodate a JetSki and Golf Cart and was permitted and approved by the town of Surfside. The home has been updated with all new furniture including the Ethan Allen sofa sleeper that sleeps 2 on a Queen-sized pillowtop bed. The home will come fully furnished with all necessary kitchen items. The 2021 Samsung Stackable Washer and Dryer has been seldom used and is perfect for washing those swimsuits and beach towels. The outdoor deck area includes brand new BBQ and propane fire pit and custom-built bar area.
