We will be accepting offers online or by contacting a D.R. Horton sales representative through Thursday, 1/20/22 at 12pm CST. D.R. Horton will review all offers submitted for each available home and will determine which offer, if any, to accept. This decision is at D.R. Horton's sole discretion. We recommend all prospective purchasers put forth their highest & best offer to purchase. A Pre-Approval letter from your lender is not required but is highly encouraged. On Monday 1/24/22, we will contact you regarding the status of your offer once all offers have been reviewed. If your offer to purchase is accepted, please note the following: We will require you to review & complete our full purchase agreement. You will also be asked to obtain a mortgage pre-approval as an owner occupant within 5 days of contract acceptance. This includes cash purchases in order to verify occupancy status. Our available homes are currently only available to primary purchasers unless otherwise specified. Earnest & Option Deposits are non-refundable & are required up front. We would be delighted to assist you with any questions you may have while submitting your offer to purchase.
