

Home Improvements 1806 Nantucket

2020: New refrigerator, new back fence, new garage door and all hardware, new garage door opener, new garbage disposal, new GFCI outlets in various places, new lighting and paint in places.

2021: new Samsung gas range (never been used), painted entire interior, painted garage and garage floor, remodeled 2nd bathroom on second floor—new piping behind tub walls, new tub, and toilet, installed about 30 new lights (cans and fixtures), replaced pipes in attic and in ceiling over master bath and various sink valves, replaced both A/C condenser (1.5 and 2 ton) units outside and installed gravel and French drains behind garage.
