Houston, TX

Roof Inspection Review

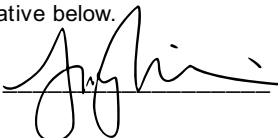

Upon reviewing the inspection report for the home it is my opinion that the current roof is not in need of any repairs at this time

- The small roof over the back door is shingled correctly as there are only two layers of roofing
- There is not enough debris on the roof to be a concern
- The downspout that drains onto the roof is not a concern as this is a normal and acceptable way to drain water from one story to another

1. I/We the OWNER(S) understand and agree that Beam Roofing & Construction (BRC) will repair my roof and agree to pay the above total for work performed.
2. Labor warranty becomes effective upon payment in full.
3. This estimate is good for 30 days from date at top of page.
4. Labor warranty shall be revoked if contract is not paid in full.

RIGHT TO CANCEL - You the customer, may cancel this agreement at any time prior to midnight of the third business day after the date of this agreement by sending written notice to address on agreement or verbal verification with the Beam Roofing representative below.
