**FIRST AMENDMENT TO**  
**RESERVATIONS, RESTRICTIONS AND COVENANTS**  
**CORINTHIAN POINT, SECTION 1, MONTGOMERY COUNTY, TEXAS**

The undersigned Corinthian Point Yacht & Racquet Club, Inc., a Texas Non-Profit corporation and the owners of a majority of lots in Corinthian Point, Section One, a subdivision in Montgomery County, Texas, **hereby adopt** the following amendments to the Reservations, Restrictions and Covenants for Corinthian Point, Section One, Montgomery County, Texas, dated January 4, 1971 and recorded in Volume 725 at Page 885, Deed Records, Montgomery County, Texas and further amended by instruments recorded at Clerk's File Numbers 8452622 and 9034225 Real Property Records of Montgomery County, Texas (all of which are called "Original Restrictions"), intending that the Original Restrictions, as amended by this instrument, shall remain in effect for all of the lots in Corinthian Point Section One, Montgomery County, Texas, for the period of time stated herein, as follows:

1. **General Provisions Regarding Amendment.** These revisions and amendments, together with all portions of the Original Restrictions not affected or changed by the express provisions of this Amendment shall remain in effect for the period of **ten years** following the effective date of this Amendment, January 4, 2006. The provisions of the Original Restrictions that are changed, removed or replaced by this Agreement shall have no further force or effect as originally written after the Effective Date of this Amendment.
2. There is added to **Section 3 (Reservations) of Part I (General Provisions)** of the Original Restrictions a new subparagraph i which shall read as follows:
  - i. *The Corinthian Point Yacht & Racquet Club, Inc. (the "Corporation") is and shall operate as the "Property Owners Association" for Section One of Corinthian Point subdivision. For the purpose of any law, regulation or restrictive covenant that refers to a "property owners association", such reference shall apply to Corinthian Point Yacht & Racquet Club, Inc., its successor and assigns. All rights, reservations, powers and duties of the Original Restrictions assigned to the "Developer" shall be assigned to and held by the Corporation. All provisions of the Original Restrictions that refer to the Architectural Control Committee shall mean the Architectural Control Committee for the purpose of architectural review of proposed construction of*

*improvements, additions and alterations of improvements, and for all other purposes shall refer to the Corinthian Point Yacht & Racquet Club, Inc. (herein called the "Corporation").*

3. Section 4 (Duration) of Part I (General Provisions) of the Original Restrictions is hereby removed from the Original Restrictions and is replaced by the following:

**Duration**

4. *The provisions hereof, including the Reservations, Restrictions and Covenants herein set forth, shall run with the land and shall be binding upon all owners of lots and property in Corinthian Point, Section 1, their heirs, personal representatives, successors and assigns, and all persons or parties claiming under them for a period of ten years from the effective date of this First Amendment, at which time all of such provisions shall be automatically extended for successive periods of ten years each, unless prior to the expiration of any such period of such ten years, the then owners of a majority of lots in the Subdivision shall have executed and recorded an instrument changing the provisions hereof, in whole or in part, the provisions of said instrument to become operative at the expiration of the particular period in which such instrument is executed and recorded.*
4. There is added to Section 1 (Basic Rule) of Part II (Architectural Control) new subparagraphs d and e as follows:
- d. *The Corporation may, at any time, and through its Board of Directors, adopt, revise or remove rules and regulations regarding the safe and orderly construction or alteration of homes in the Subdivision, regarding the preservation of trees and the scenic appearance of the subdivision, and for the protection of the residents, their families and their homes in the subdivision. Such rules and regulations may at any time provide for any of the following specific matters:*
- (1) Applications for approval by the Architectural Control Committee for constructing new homes or altering existing homes;*
  - (2) Setting fees to be paid upon applications for Architectural Control Committee approval;*

(3) Requiring deposits to be made in advance of construction to cover costs of clean up of lots and construction sites, and to provide funds for the repair of streets or Corporation property that may be damaged by construction, and providing for a refund of those deposits when construction shall have been completed without requiring costly clean up or repairs to the subdivision's streets or Corporate property;

(4) Providing rules for locating temporary sanitary facilities;

(5) Providing for orderly and safe parking of construction vehicles and equipment and locations for storing construction materials;

(6) Providing rules for work hours including starting and ending hours and rules regulating when high levels of noise will be allowed;

(7) Providing rules for preservation of trees;

(8) Providing reasonable time limits for completion of construction and alterations.

- e. Such rules and regulations, when adopted by the Board of Directors and published to the members and residents of the Subdivision shall be binding upon all construction of homes and improvements in the Subdivision and shall be enforceable in suits for injunctive relief or damages in events of violation.

5. Section 2 (Architectural Control Authority) of Part II (Architectural Control) is hereby removed from the Original Restrictions and replaced by the following:

**Architectural Control Authority:**

- a. The authority to grant or withhold architectural control approval is held by the Architectural Control Committee, (the "Committee") consisting of three members who must be residents of and property owners in Corinthian Point Subdivision. The Members of the Committee shall be appointed by the Corporation, acting through its Board of Directors. The Committee members may, but are not required to be members of the Board of Directors of the Corporation. The Corporation shall set the terms of the

members of the Committee but no person may serve as a member of the Committee for a total of more than six years. The Corporation shall be responsible for adopting, revising and removing rules and regulations for the operation of the Committee, including assignments among the Members of the Committee of primary responsibilities for certain types of improvements which may include any one or more of the following: home improvements, new home construction, fences, swimming pools, notices and application forms for architectural review, meetings, rules regulating voting among committee members, record keeping, custody of plans, and minutes of proceedings. Neither the Corporation nor the Committee shall delegate any of the Committee's functions to any other person or entity, or neighbor, or consultants. All decisions of the Committee shall be made from among the Committee members themselves. If for any application the Committee members determine that additional information is necessary for proper consideration of an application, the Committee shall specify the additional information needed in a written communication delivered to the applicant and from the time such communication is delivered to the applicant to the time the applicant responds, the time limit for the Committee to make its final decision on the application shall be suspended. The Committee's determination of the sufficiency of the information, plans, tests, engineering, and materials specifications for the proposed improvements shall be conclusive for all purposes.

b. The members of the Architectural Control Committee shall not be entitled to compensation for any services rendered, but shall be entitled to reimbursement for reasonable expenses incurred. All such sums payable as reimbursement shall be payable out of the "Maintenance Fund", hereinafter referred to.

6. Section 2 of Article IV (General Restrictions) of the Original Restrictions is hereby removed and is replaced by the following:

2. For all homes to be constructed after the effective date of this Amendment, the living area of the main residential structure

(exclusive of porches, whether open or screened, garage or other car parking facility, terraces, driveways and servants' quarters) shall be not less than the following respective amounts for each of the designated particular types of lots:

*Lakefront Lots: 2,050 sq. ft. for one-story dwelling; 2,450 sq. ft. for a two-story dwelling authorized by the Committee;*

*View Lots: 1,750 sq. ft. for one-story dwelling; 2,250 sq. ft. for a two-story dwelling;*

*Town and Country Lots: 1,450 sq. ft. for one-story dwelling; 2,050 sq. ft. for a two-story dwelling.*

7. **Sections 5, 6 and 7 of Part IV (General Restrictions) of the Original Restrictions** are hereby **removed and replaced** by the following:

5. *All lots in the Subdivision shall be used only for single-family residential purposes. The plans for a home may include living quarters for bona fide servants, or a garage that may contain living quarters for bonafide servants or a parent or child of an owner of the home and lot. No noxious or offensive activity of any sort shall be permitted, nor shall anything be done on any lot which may be or become an annoyance or nuisance to the neighborhood. No lot in the Subdivision shall be used for any commercial, business or professional purpose nor for church purposes. The renting or leasing of any home or any lot or portions thereof, without the prior written consent of the Corporation or Committee, is prohibited. No owner or other occupant of any lot or any home in the subdivision may park or store on any street, green space, easement, or lot, whether improved or not, any of the following types of vehicles: commercial long haul truck, tractor trailer truck, commercial hauling rig or portions thereof, commercial trailer, bus, commuter van, farm tractor, recreational vehicle, motor home, house trailer, camper trailer, boats, camper vehicle, or any truck or*

commercial vehicle with a total weight in excess of 1.5 tons (or portion thereof). For the purposes of this section, to "park" or to "store" a vehicle shall include the regular, consistent use of a lot, green space or a street of the subdivision as a place to keep or store a vehicle over any period of time and does not require that a vehicle be kept at a location without interruption. No boats, trucks, trailers or unsightly vehicles shall be stored on any lots or drives, except in enclosed garages or storage facilities protected fully from the view of the public or other residents of the Subdivision. Where lots have been consolidated under these restrictions, homes built after consolidation on such lots must be built over all lots so consolidated. No house trailer, camper trailer, camper vehicle or motor vehicle (or portion thereof) or any mobile type home or movable pre-fabricated home shall be lived in on any lot. The Corporation shall be entitled to control the parking of all types of vehicles and trailers on all streets in the subdivision.

6. No structure of a temporary character, trailer, basement, tent, shack, garage, barn or other outbuilding shall be used on any lot at any time as a residence.
7. No animals, livestock or poultry of any kind shall be raised, bred or kept on any lot, except that common domesticated household pets, such as dogs, cats, or the like, may be kept as household pets at any home (whether consisting of one or more lots). No animals may be kept, bred or maintained on any lot for commercial purposes. No dangerous or wild animals (such as "pit bull" dogs) of any kind may be kept anywhere in the subdivision for any period of time, whether caged or not. No animal that is offensive for normal residential purposes, whether for temperament, noise, odor, or the like, may be kept anywhere in the Subdivision when, in the sole judgment of the Corporation, such animal may constitute a danger of potential or actual disruption or annoyance of other lot owners, their families or guests.
8. **Section 10 of Part IV (General Restrictions)** of the Original Restrictions is hereby removed and replaced by the following:

10. All lots shall be kept at all times in a sanitary, healthful and attractive condition, and the owner or occupant of all lots shall keep all weeds and grass thereon cut and shall in no event use any lot for storage of materials or equipment (except of normal residential requirements or incident to construction of improvements thereon as herein permitted), nor permit the accumulation of garbage, trash or rubbish of any kind thereon, and shall not burn any garbage, trash or rubbish. Burning of any substance outside is prohibited, other than in connection with food preparation (such as "bar-b-que") in a pit or similar container. Burning of leaves or limbs is prohibited. All clothes lines, yard equipment or storage piles shall be kept screened by a service yard, drying yard or other similar facility as herein otherwise provided, so as to conceal them fully from view of neighboring lots, streets or other property.

In the event of default on the part of the owner or occupant of any lot in observing the above requirements or any of them, such default continuing or reoccurring after 10 days written notice thereof, the Corporation may, without liability to the owner or occupant in trespass or otherwise, enter upon (or authorize one or more others to enter upon) said lot and cause to be cut, such weeds and grass, and remove or cause to be removed such garbage, unsightly vehicles, or trash and rubbish and do any other thing necessary to secure compliance with these restrictions, so as to place said lot in a neat, attractive, healthful and sanitary condition, and may charge the owner or occupant of such lot for the reasonable cost of such work and associated materials. The owner or occupant, as the case may be, agrees by the purchase or occupation of the property to pay such statement immediately upon receipt thereof. The payment of such charge shall be secured by the same liens granted to secure payment of the Maintenance Fund in the Original Restrictions.

9. This is to be added as a new Section 23 to Part IV (General Restrictions) of the Original Restrictions as follows:

23. Enforcement. *The Corporation may adopt, as an amendment of its Bylaws, rules and regulations for the enforcement of the Original and Amended Restrictions, including imposing fines and other penalties upon owners violating any part of the General Restrictions or the Special Restrictions, as amended by this or any subsequent amendment. The rules and regulations may also provide for withdrawing or withholding from any Owner violating any of these Restrictions or any of the Rules and Regulations of the Corporation any facility or benefit of the Corporation that is otherwise available to Owners of lots in Corinthian Point Subdivision. The payment of such fines shall, to the greatest extent allowed by the laws of the state of Texas, be secured by the same liens provided by the Original or Amended Restrictions for collection of the Maintenance Fund. All fines collected shall belong solely to the Corporation.*

10. Article XI (Binding Effect) of the Original Restrictions is hereby removed and replaced by the following:

1. Binding Effect. *All of the provisions hereof shall be covenants running with the land thereby affected. The provisions hereof shall be binding upon and inure to the benefit of the owners of the land affected and the Corporation and their respective heirs, executors, administrators, successors and assigns.*
2. Severability. *If any provision of this Amendment, as well as any provision of the Original Restrictions, is determined by any court to be invalid or unenforceable under any law, such determination shall not operate to affect adversely the validity or the enforceability of the remaining provisions of this Amendment or of the Original Restrictions.*
3. Effect of Amendments. *Any condition, improvement, alteration, or use of any lot in the Subdivision that was valid under the Original Restrictions shall remain valid after the effective date of this Amendment. Any proposed construction or alteration that had been approved by the Architectural*

Control Committee prior to the effective date of this Amendment may be completed as approved, regardless of whether or not such construction or alteration may violate this Amendment. Any construction, improvement, alteration, condition or use of any lot that violated the Original Restrictions may be enforced under this Agreement, subject to applicable statutes of limitation. This Amendment shall not operate to excuse or cancel any debt owing to the Corporation for maintenance fund charge, common area fund, or other dues, assessment fees or charges prior to the effective date of this Amendment. This Amendment is not dependent upon adoption of the same or similar provisions by any other section of Corinthian Point Subdivision.

4. Interpretation. If this Amendment or any word, clause, sentence, paragraph, or other part thereof shall be susceptible to more than one or conflicting interpretations, then the interpretation which is most nearly in accordance with the general purposes and objectives of this Amendment shall govern. Whenever the application of the provisions of this Amendment, or any amendment hereto, conflicts with the application of any provision of the By-Laws of the Corporation, the provisions or application of this Amendment shall prevail.

If any punctuation, word, clause, sentence, or provision necessary to give meaning, validity, or effect to any other word, clause, sentence or provision appearing in this Amendment shall be omitted herefrom, then it is hereby declared that such omission was unintentional and that the omitted punctuation, word, clause, sentence or provision shall be supplied by inference.

The singular, whenever used herein, shall be construed to mean the plural, when applicable, and the necessary grammatical changes required to make the provisions here apply either to corporations or individuals, males or females,

shall in all cases be assumed as though in each case fully expressed.

5. Notices. Any notice required to be given to any Owners, Members or Resident shall be complete when the notice is deposited in the United States Mail, postage prepaid, and addressed to the Owner, Member or Resident at the last known address as shown by the records of the Corporation, pursuant to this Amendment.
6. Headings. The headings contained in this Amendment are for reference purposes only and shall not in any way affect the meaning or interpretation of this Amendment.

THE STATE OF TEXAS )  
COUNTY OF MONTGOMERY )

KNOW ALL MEN BY THESE PRESENTS:

That Corinthian Point, Ltd., a Texas Limited Partnership, having its principal place of business in Houston, Harris County, Texas (hereinafter called the "Developer"), being the owner of that certain tract of land described on Exhibit "A", which is annexed hereto, incorporated by reference herein and made a part hereof for all purposes, a portion of which has heretofore been platted into that certain subdivision known as "Corinthian Point, Section One", according to the plat of said subdivision recorded in the Office of the County Clerk of Montgomery County, Texas, on December 22, 1970, after having been approved as provided by law, and being recorded in Volume 9, Page 42 of the Map Records of Montgomery County, Texas, and desiring to create and carry out a uniform plan and scheme for the improvement, development and sale of property in said Corinthian Point, Section One (herein referred to as "the Subdivision"), does hereby adopt, establish, promulgate and impress the following Reservations, Restrictions and Covenants, which shall be and are hereby made applicable to the Subdivision:

I

GENERAL PROVISIONS

APPLICABILITY

1. Each Contract, Deed or Deed of Trust which may be hereafter executed with respect to any property in the subdivision shall be deemed and held to have been executed, delivered and accepted subject to all of the provisions of this instrument, including, without limitation, the Reservations, Restrictions and Covenants herein set forth, regardless of whether or not any of such provisions are set forth in said Contract, Deed or Deed of Trust, and whether or not referred to in any such instrument.

DEDICATION

2. The streets and roads shown on said recorded plat are dedicated to the use of the public. The utility easements shown thereon are dedicated subject to the reservations hereinafter set

forth.

VOL 725 PAGE 886

RESERVATIONS

3. a. The utility easements shown on the recorded plat are dedicated with the reservation that such utility easements are for the use and benefit of any public utility operating in Montgomery County, Texas, as well as for the benefit of the Developer and the property owners in the Subdivision to allow for the construction, repair, maintenance and operation of a system or systems of electric light and power, telephone lines, gas, water, sanitary sewers, storm sewers and any other utility or service which the Developer may find necessary or proper. Provided, however, all such easements specifically dedicated for a certain purpose may not be used for any other purpose without the expressed consent of the Developer. No fence or any other structure shall be constructed on or across utility easements shown on the recorded plat as would unduly interfere with the construction, repair, maintenance and operation of such utility systems.

b. The title conveyed to any property in the Subdivision shall not be held or construed to include the title to the water, gas, electricity, telephone, storm sewer or sanitary sewer lines, poles, pipes, conduits or other appurtenances or facilities constructed by the Developer or public utility companies upon, under, along, across or through such public utility easements; and the right (but not the obligation) to construct, maintain, repair and operate such systems, utilities, appurtenances and facilities is reserved to the Developer, its successors and assigns.

c. The right to sell or lease such lines, utilities, appurtenances or other facilities to any municipality, governmental agency, public service corporation or other party is hereby expressly reserved to the Developer.

d. The Developer reserves the right to make such changes in and additions to the utility easements and drainage areas as may be necessary for the purpose of more efficiently serving the Subdivision or any property therein.

e. Neither the Developer, nor its successors or assigns, using said utility easements shall be liable for any damage done

by any of such parties or any of their agents or employees to shrubbery, trees, flowers or other property of the land owner situated on the land covered by said utility easements.

f. The Developer reserves the right to maintain the alleys and green areas shown on the recorded plat. The Developer further reserves the right to improve and landscape, any one or more of such green areas and alleys at any time, and from time to time, hereafter.

g. The Developer reserves the right at any time, and from time to time, hereafter to promulgate and impose restrictions (as well as vary and amend any such restrictions) as to all or any portion of the unplatted reserve, or unrestricted areas of the Subdivision identified on the aforesaid plat. Any such action by the Developer shall not, in order to be fully binding, require the joinder of any other person, whether such person be an owner of property in the Subdivision, a lienholder, a mortgagee, a Deed of Trust beneficiary or any other person.

h. Until such time as water and sewer taps are made for each separate residential lot, and water and sewer service is commenced, there shall be levied against every individual residential lot, severally, a standby charge not to exceed \$7.50 per month. Such charge shall be fixed from time to time by the Board of Directors of the utility district to be created on the property, which charge shall be due and payable in monthly installments in advance; and the payment of such standby charge or charges shall be and is secured by a vendor's lien to be retained in the deed or deeds conveying each such lot or lots. Such standby charge, the liens securing the payment thereof, and the right and responsibility for the enforcement thereof are hereby assigned without recourse to the utility district in consideration of its furnishing or proposing to furnish such water and sewer service to such residential lot or lots. Such charge, and all liens securing the payment thereof, shall be released and discharged automatically (without further action) upon the conveyance of each lot to the initial person or persons who will reside on the property and use it for dwelling or residence purposes.

DURATION

4. The provisions hereof, including the Reservations, Restrictions and Covenants herein set forth, shall run with the land and shall be binding upon the Developer, its successors and assigns, and all persons or parties claiming under it or them for a period of thirty-five (35) years from the date hereof, at which time all of such provisions shall be automatically extended for successive periods of ten (10) years each, unless prior to the expiration of any such period of thirty-five (35) years or ten (10) years, the then owners of a majority of lots in the Subdivision shall have executed and recorded an instrument changing the provisions hereof, in whole or in part, the provisions of said instrument to become operative at the expiration of the particular period in which such instrument is executed and recorded, whether such particular period be the aforesaid thirty-five (35) year period or any successive ten (10) year period thereafter.

*letter 10:1  
then \$100*

ENFORCEMENT

5. In the event of any violation or attempted violation of any of the provisions hereof, including any of the Reservations, Restrictions or Covenants herein contained, enforcement shall be authorized by any proceedings at law or in equity against any person or persons violating or attempting to violate any of such provisions, including proceedings to restrain or prevent such violation or attempted violation by injunction, whether prohibitive in nature or mandatory in commanding compliance with such provisions; and it shall not be a prerequisite to the granting of any such injunction to show inadequacy of legal remedy or irreparable harm. Likewise, any person entitled to enforce the provisions hereof may recover such damages as such person has sustained by reason of the violation of such provisions. It shall be lawful for the Developer or for any person or persons owning property in the Subdivision (or in any other Section of Corinthian Point) to prosecute any proceedings at law or in equity against the person or persons violating or attempting to violate any of such provisions.

*Sub in  
injunction  
200 / day civil  
penalty*

PARTIAL INVALIDITY

6. In the event that any portion of the provisions hereof shall become or be held invalid, whether by reason of abandonment, waiver, estoppel, judicial decision or otherwise, such partial invalidity shall not effect, alter or impair any other provision hereof which was not thereby held invalid; and such other provisions, including Restrictions, Reservations and Covenants shall remain in full force and effect, binding in accordance with their terms.

EFFECT OF VIOLATIONS ON MORTGAGES

7. No violation of any provision hereof, or any portion thereof, shall affect the lien of any Mortgage or Deed of Trust presently or hereafter placed of record or otherwise affect the rights of the Mortgagee under any such Mortgage, holder of any such lien or beneficiary of any such Deed of Trust; and any such Mortgage, lien or Deed of Trust may, nevertheless, be enforced in accordance with its terms, subject, nevertheless, to the provisions herein contained, including said Reservations, Restrictions and Covenants.

II

ARCHITECTURAL CONTROL

BASIC RULE

1. a. No building or other improvements of any character shall be erected or placed, or the erection or placing thereof commenced, or changes made in the design thereof or any addition made thereto or exterior alteration made therein after original construction, on any property in the Subdivision until the obtaining of the necessary approval (as hereinafter provided) of the construction plans and specifications and a plat showing the location of such building or other improvements. Approval shall be granted or withheld based on matters of compliance with the provisions of this instrument, quality of materials, harmony of external design with existing and proposed structures and decoration with respect to topography and finished grade elevation.

b. With reasonable diligence, and in all events within six months from the commencement of construction (unless completion

is prevented by war, strikes or Act of God), any dwelling commenced shall be completed as to its exterior, and all temporary structure shall be removed.

c. These requirements for approval as herein set out cover not only the residence to be constructed in the Subdivision, but all piers and other structures built in the water as well as on the land, and also apply to any retaining wall and any significant moving of soil in or out of the water.

#### ARCHITECTURAL CONTROL AUTHORITY

2. a. The authority to grant or withhold architectural control approval as referred to above is vested in the Developer; except, however, that such authority of the Developer shall cease and terminate upon the election of the Corinthian Point Architectural Control Committee, (provided for in b. below), in which event such authority shall be vested in and exercised by the Corinthian Point Architectural Control Committee, hereinafter referred to, except as to plans and specifications and plats theretofore submitted to the Developer which shall continue to exercise such authority over all such plans, specifications and plats.

b. At such time as 90% of the lots in the Subdivision and in all other Sections of Corinthian Point (as platted, from time to time, hereafter) shall have been sold by the Developer, or sooner at the election of the Developer, then the Developer shall cause a statement of such circumstances to be placed of record in the Deed Records of Montgomery County, Texas. Such statement shall name the then acting President, Vice President, and Secretary-Treasurer of the Corinthian Point Yacht and Racquet Club who shall then become the Corinthian Point Architectural Control Committee. Such officers successors in office shall thereafter act as such committee. Provided, however, any one or more interested lot owners may call an election to designate a separate Corinthian Point Architectural Control Committee of three (3) lot owners in which event the said officers of Corinthian Point Yacht and Racquet Club shall no longer act as such committee (either group is hereinafter referred to as the "Committee"). In the event of such an election each lot owner shall be entitled to one (1)

vote for each lot owned by that owner.

Any owner may appoint a proxy to cast his ballot in such election, provided that his written appointment of such proxy is attached to the ballot as a part thereof. The results of each such election shall promptly be determined on the basis of the majority of those owners then voting in such election.

The election Committee shall continue to act until requested in writing to call an election by thirty (30) or more lot owners in the Subdivision. Members of the Committee may, at any time, be relieved of their position and substitute members therefor designated by vote as set forth above.

Upon the death, resignation, refusal or inability of any elected member of the Committee to serve, the remaining members of the Committee shall fill the vacancy by appointment or call an election to designate a new committee member within 30 days.

If the Committee should fail or refuse to take any action herein provided to be taken by the Committee with respect to setting elections, conducting elections, counting votes, determining results and evidencing such results, or naming successor Committee members, and such failure or refusal continues for a period which is unreasonably long (in the exclusive judgment of the Developer), then the officers of Corinthian Point Yacht and Racquet Club may validly perform such function.

c. The members of the Committee shall be entitled to compensation for services rendered and reimbursement for reasonable expenses incurred. All such sums payable as compensation and/or reimbursement shall be payable only out of the "Maintenance Fund", hereinafter referred to.

#### EFFECT OF INACTION

3. ~~Approval or disapproval~~ as to architectural control matters as set forth in the preceding provisions ~~shall be in writing~~. In the event that the authority exercising the prerogative of approval or disapproval (whether the Developer or the Committee) fails to approve or disapprove in writing any plans and specifications and plat submitted to it in compliance with the preceding provisions ~~within thirty (30) days following such submission, such plans and~~

specifications and plat shall be deemed approved and the construction of any such building and other improvements may be commenced and proceeded with in compliance with all such plans and specifications and plat and all of the other terms and provisions hereof.

EFFECT OF APPROVAL

4. The granting of the aforesaid approval shall constitute only an expression of opinion, whether by the Developer or the Committee, that the terms and provisions hereof shall be complied with if the building and/or other improvements are erected in accordance with said plans and specifications and plat; and such approval shall not constitute any nature of waiver or estoppel either as to the persons expressing such approval or any other person in the event that such building and/or improvements are not constructed in accordance with such plans and specifications and plat or in the event that such building and/or improvements are constructed in accordance with such plans and specifications and plat, but, nevertheless, fail to comply with the provisions hereof. Further, no person exercising any prerogative of approval or disapproval shall incur any liability by reason of the good faith exercise thereof.

III

DESIGNATION OF TYPES OF LOTS

1. Those lots in the Subdivision numbered ~~112 thru 126~~ as shown on the recorded plat are hereby designated and classified "~~Lakefront Lots~~".

2. Those lots in the Subdivision numbered ~~42 thru 111~~ and ~~127 thru 138~~ as shown on the recorded plat are hereby designated and classified "~~View Lots~~".

3. All lots in the Subdivision not having any of the characteristics referred to in 1 and 2 above are hereby designated and classified as "~~Town and Country Lots~~".

4. The "General Restrictions" set forth in IV below shall be applicable to all types of lots in the Subdivision hereinabove enumerated and designated. The "Special Restrictions" set forth in V below shall, in addition to the General Restrictions, apply to the particular type of lots in the Subdivision so indicated.

1. No building shall be erected, altered or permitted to remain on any lot other than one (1) detached single-family residential dwelling not to exceed two (2) stories in height and a private garage (or other covered car parking facility) for not more than three (3) automobiles and other than bona fide servants' quarters; provided however, that the servants' quarters structure shall not exceed the main dwelling in area, height or number of stories. For purposes of this instrument, the word "lot" shall not be deemed to include any portion of the following areas shown on the recorded plat: any esplanade; park; alley; and unrestricted area shown on the plat; and those portions shown on the recorded plat which are not hereafter designated by the Developer as home sites, such portions which are not so designated as home sites, being referred to as "Green Area".

2. The living area of the main residential structure (exclusive of porches, whether open or screened, garage or other car parking facility, terraces, driveways and servants' quarters) shall be not less than the following respective amounts for each of the designated particular types of lots:

Lakefront Lots: 1,800 sq. ft. for one-story dwelling; 2,200 sq. ft. for a two-story dwelling authorized by the Developer or Committee;

View Lots: 1,500 sq. ft. for a one-story dwelling; 2,000 sq. ft. for a two-story dwelling;

Town and Country Lots: 1,200 sq. ft. for a one-story dwelling; 1,800 sq. ft. for a two-story dwelling.

3. a. No building shall be located on any lot nearer to the front street line or nearer to the street side line than the minimum building set-back lines shown on the aforesaid plat (designated thereon as "B.L."). Subject to the provisions of Paragraph 4, no building shall be located nearer than five (5) feet to an interior side lot line except that a garage or other permitted accessory building located forty (40) feet or more from the front lot line may be a minimum distance of three (3) feet from an interior side

lot line. For the purpose of this covenant, eaves, steps and unroofed terraces shall not be considered as part of a building, provided, however, that this shall not be construed to permit any portion of the construction on a lot to encroach upon another lot.

b. No structure shall be placed on any lot which (by reason of high walls or fences, excessive height, specially peaked roof, design, location on lot, etc.) unreasonably will obscure the view of Lake Conroe from a dwelling located or reasonably to be located upon an abutting lot (and for this purpose "abutting lot" includes a lot separated only by a street). The decision of the Developer or Committee in this matter shall be final.

4. Any owner of one or more adjoining lots (or portions thereof) may consolidate such lots or portions into one building site, with the privilege of placing or constructing improvements on such resulting site, in which case side set-back lines shall be measured from the resulting side property lines rather than from the lot lines as indicated on the recorded plat. Any such composite building site must have a frontage at the building set-back line of not less than the minimum frontage of lots in the same block. Any such composite building site (or building site resulting from the remainder of one or more lots having been consolidated into a composite building site) must be of not less than nine thousand (9,000) square feet in area (and this shall supersede any contrary provision in the Subdivision plat). Any modification of a building site (changing such building site from either a single lot building site or from a multiple whole lot building site), whether as to size or configuration, may be made only with the prior written approval of the Developer until the Committee is selected and thereafter, only with the prior written approval of the Committee. Upon any such required approval having been obtained, such composite building site shall thereupon be regarded as a "lot" for all purposes hereunder, except, however, that for purposes of voting for the Committee (as provided under Paragraph 2. b. of II above), an owner shall be entitled to one(1) vote for each whole lot within such owner's building site.

5. All lots in the Subdivision shall be used only for single-

family residential purposes. No noxious or offensive activity of any sort shall be permitted, nor shall anything be done on any lot which may be or become an annoyance or nuisance to the neighborhood. No lot in the Subdivision shall be used for any commercial, business or professional purpose nor for church purposes. The renting or leasing of any improvements thereon or portion thereof, without the prior written consent of Developer or Committee, is prohibited. No house trailer, camper trailer, camper vehicle or motor vehicle (or portion thereof) or any mobile type home or moveable pre-fabricated home shall be lived in on any lot. The Developer or Committee reserves the right to control the parking of all types of vehicles and trailers on all streets in the Subdivision.

6. No structure of a temporary character, trailer, basement, tent, shack, garage, barn or other outbuilding shall be used on any lot at any time as a residence, except, however, that a garage may contain living quarters for bona fide servants and except also that a field office, as hereinafter provided, may be established.

Until the Developer has sold all other lots in Corinthian Point (and during the progress of construction of residences in the Subdivision), a temporary field office for sales and related purposes may be located and maintained by the Developer (and/or its sales agents). The location of such field office may be changed, from time to time, as lots are sold. The Developer's right to maintain such field office (or permit such field office to be maintained) shall cease when all lots in Corinthian Point, except the lot upon which such field office is located, have been sold.

7. No animals, livestock or poultry of any kind shall be raised, bred or kept on any lot, except that dogs, cats or other common household pets may be kept as household pets provided they are not kept, bred or maintained for commercial purposes and provided they do not constitute a nuisance and do not, in the sole judgment of the Developer or Committee, constitute a danger or potential or actual disruption of other lot owners, their families or guests.

8. Where a wall, fence, planter or hedge is not specifically prohibited hereunder, the following (as to any permitted wall, fence

planter or hedge) shall apply: No wall, fence, planter or hedge in excess of two (2) feet high shall be erected or maintained nearer to the front lot line than the front building set-back line, nor on corner lots nearer to the side lot line than the building set-back line parallel to the side street. No rear fence, wall or hedge and no side fence, wall or hedge located between the side building line and the interior lot line (or located on the interior lot line) shall be more than six (6) feet high. Any structure permitted under this paragraph may be prohibited by the Developer or Committee (whose decision shall be final) if such improvement or structure will unreasonably obscure the view of Lake Conroe from a dwelling located or reasonably to be located upon an abutting lot (and for this purpose "abutting lot" includes a lot separated only by a street).

No object or thing which obstructs sight lines at elevations between two (2) and six (6) feet above the roadways within the triangular area formed by intersecting street property lines and a line connecting them at points twenty-five (25) feet from the intersection of the street lines (or extensions thereof) shall be placed, planted or permitted to remain on corner lots.

9. The drying of clothes in public view is prohibited, and the owners or occupants of any lots at the intersection of streets or adjacent to green areas, alleys, parks, playgrounds or other facilities where the rear yard or portion of the lot is visible to the public, shall construct and maintain a drying yard or other suitable enclosure to screen drying clothes from public view.

10. All lots shall be kept at all times in a sanitary, healthful and attractive condition, and the owner or occupant of all lots shall keep all weeds and grass thereon cut and shall in no event use any lot for storage of material (or equipment, except for normal residential requirements or incident to construction of improvements thereon as herein permitted), nor permit the accumulation of garbage, trash or rubbish of any kind thereon, and shall not burn any garbage, trash or rubbish. All clothes lines, yard equipment or storage piles shall be kept screened by a service yard, drying yard or other similar facility as herein otherwise provided,

so as to conceal them from view of neighboring lots, streets or other property. No boats, trucks, trailers or unsightly vehicles shall be stored on any lots or drives, except in enclosed garages or storage facilities protected from the view of the public or other residents of the Subdivision.

In the event of default on the part of the owner or occupant of any lot in observing the above requirements or any of them, such default continuing or reoccurring after ten (10) days written notice thereof, the Developer (until the Committee is selected, and thereafter, the Committee) may, without liability to the owner or occupant in trespass or otherwise, enter upon (or authorize one or more others to enter upon) said lot, and cause to be cut, such weeds and grass, and remove or cause to be removed such garbage, unsightly vehicles, or trash and rubbish and do any other thing necessary to secure compliance with these restrictions, so as to place said lot in a neat, attractive, healthful and sanitary condition, and may charge the owner or occupant of such lot for the reasonable cost of such work and associated materials. The owner or occupant, as the case may be, agrees by the purchase or occupation of the property to pay such statement immediately upon receipt thereof; however, the payment of such charge is not secured by any nature of lien on the property.

Don't do  
this, he  
advised

11. Before initial residential occupancy, no sign, advertisement, billboard or advertising structure of any kind may be erected or maintained on any lot in the Subdivision without the prior approval of the Developer or Committee; and any such approval which is granted by the Developer or Committee may be withdrawn at any time by the Developer or Committee, in which event, the party granted such permission shall, within the period designated by the Developer or Committee (which in no event shall be less than five (5) days), thereupon remove same. After initial residential occupancy of improvements on any particular lot in the Subdivision, no sign, advertisement, billboard or advertising structure of any kind other than a normal for-sale sign approved by the Developer or Committee as to design, not exceeding two feet by three feet (2' x 3') erected on a post in the ground, and applicable to such lot alone, may be

erected or maintained on such lot.

The Developer until the Committee is selected, and thereafter, the Committee, shall have the right to remove and dispose of any such prohibited sign, advertisement, billboard or advertising structure which is placed on any lot, and in so doing shall not be subject to any liability for trespass or other tort in connection therewith or arising from such removal nor in any way be liable for any accounting or other claim by reason of the disposition thereof.

12. The digging of dirt or the removal of any dirt from any lot is expressly prohibited except as necessary in conjunction with the landscaping of or construction on such lot. No growing trees 5" or more in diameter measured at a point 12" from the ground shall be cut from any lot without the prior approval of the Developer or Committee except to provide room for construction of improvements or to remove dead or unsightly trees.

13. No outside aerial pole or other device shall project above the highest ridge of the house by more than fifteen (15) feet.

14. No lot or other portion of Corinthian Point shall be used or permitted for hunting or for the discharge of any pistol, rifle, shotgun, or any other firearm, or any bow and arrow or any other device capable of killing or injuring.

15. Driveways shall be entirely of concrete (except however, some other material may be used with the prior permission of the Developer or Committee) and shall be constructed with a minimum width of nine (9) feet with expansion joints not more than twenty (20) feet apart, with one joint at the back of the street wearing surface. The width of each driveway shall flair to a minimum of sixteen (16) feet and be constructed in such manner that the driveway may be at least four (4) inches thick at its end toward the street paving, and this extreme shall be poured against a horizontal form board to reduce the unsightly appearance of a raveling driveway.

16. Walks from the street to the residence and walks parallel to the street shall have a minimum width of four (4) feet and shall

be constructed entirely of concrete (except however, that some other material may be used with the prior consent of the Developer or Committee).

17. No outside toilets will be permitted, and no installation of any type of device for disposal of sewage shall be allowed which would result in raw or untreated or unsanitary sewage being carried into any water body. No septic tank or other means of sewage disposal may be installed unless approved by the proper governmental authorities having jurisdiction with respect thereto and the Developer or Committee.

18. No oil drilling, oil development operations, oil refining, or mining operations of any kind shall be permitted upon any lot, nor shall any wells, tanks, tunnels, mineral excavations or shafts be permitted upon any lot. No derrick or other structure designed for use in boring for oil, or natural gas, shall be erected, maintained or permitted on any building site. At no time shall the drilling, usage or operation of any water well be permitted on any lot without the expressed consent of the Developer.

19. Drainage structures under private driveways shall always have a net drainage opening area of sufficient size to permit the free flow of water without backwater and, in no event, shall be smaller than eighteen (18") inches in diameter.

20. All property owners, members of their families and their guests, shall have the exclusive right of ingress and egress to the lake through the green areas at the end of Mariner Drive, Dolphin Drive and Challenger Drive adjacent to Lake Conroe as shown on the Subdivision plat and to the alleys as shown on the Subdivision plat. The right shall extend to and include the owners of lots within Section One of the Corinthian Point Subdivision as well as subsequent sections developed by the Developer from lands contiguous to or in the vicinity of the said Corinthian Point Subdivision. All such alleys, green areas and improvements shall be available for use by such property owners, their families and guests, at their own risk. When 90% of the lots in all Sections of Corinthian Point Subdivision have been sold, or sooner at the election of the Developer, Developer may transfer title to all

alleys, green areas, esplanades, and other community areas to the Corinthian Point Yacht and Country Club or to a civic organization active in the area, after which the operation of and maintenance and payment of taxes on such alleys, green areas, esplanades, and other community areas shall be the responsibility of such transferee.

21. The property included in the Subdivision is subject to (i) all terms, provisions and reservations of record, including the matters described in that certain deed in favor of The San Jacinto River Authority of record in Volume 588, Page 208, Montgomery County Deed Records, to which deed and their record thereof reference is hereby made for all purposes and (ii) the authority of any governmental agency claiming jurisdiction.

22. When underground utility services shall be available for said lots, no above surface utility wires will be installed outside of any structure. Underground utility service lines shall extend through and under said lots in order to serve any structure thereon, and the area above said underground lines and extending  $2\frac{1}{2}$  feet to each side of said underground line shall be subject to excavation, refilling and ingress and egress for the installation, inspection, repair, replacing and removing of said underground facilities by such utility company; and owners of said lots shall ascertain the location of said lines and keep the area over the route of said lines free of excavation and clear of structures, trees or other obstructions.

#### V.

#### SPECIAL RESTRICTIONS

1. In addition to the General Restrictions set forth in IV. above, the following restrictions shall apply to Lakefront lots and green areas adjacent to Lake Conroe:

a. ~~No pier, dock, bulkhead, launch ramp or other structure shall be permitted without prior approval of the Developer or Committee.~~ The Developer further reserves the right to construct any bulkhead if such construction appears to the Developer to be wise or necessary.

b. Any garage must be attached to the main residence and ~~must be not nearer to the lakeshore than the main residence itself,~~ which

main residence must be at least 75 feet from the lakeshore.

c. Without the expressed written approval of the Developer, only one story dwelling will be allowed.

2. In addition to the General Restrictions set forth in IV. above, the following restrictions shall apply to the following Green Areas as shown on the recorded plat.

a. Green Common Area adjacent to Lots 102 thru 111 shall be for the exclusive use of the owners of said Lots 102 thru 111, their families and/or guests.

b. Green Common Area adjacent to Lots 116 thru 124 shall be for the exclusive use of the owners of Lots 116 thru 124, their families and/or guests.

VI.

CORINTHIAN POINT YACHT AND RACQUET CLUB MEMBERSHIP

Each person acquiring property in the Subdivision (whether acquiring same initially or upon resale) must first apply and be accepted for membership in the Corinthian Point Yacht and Racquet Club, and must remain a member in good standing as long as they own property in the Subdivision. It is contemplated that the Club facilities will include tennis courts, a swimming pool, and appropriate club quarters. After the Developer has sold 90% of lots in all Sections of Corinthian Point Subdivision, or sooner at the election of Developer, the club officers will act as the Corinthian Point Architectural Control Committee (subject to II-2.b. above) and will be charged with administration of the Maintenance Fund and Common Fund provided for below.

VII.

MAINTENANCE FUND

1. Each lot (or residential building site) in the Subdivision shall be and is hereby made subject to an annual Maintenance Fund charge (hereafter referred to as the "Maintenance Fund"), except as otherwise hereinafter provided.

2. The Maintenance Fund referred to shall be used to create a fund to be known as the "Maintenance Fund"; and each such Maintenance Fund charge shall (except as otherwise hereinafter provided) be paid by the owner of each lot (or residential building

site) annually, in advance, on or before January 1st of each year, beginning in 1972.

3. The exact amount of each Maintenance charge will be determined by the Developer or Committee during the month preceding the date of said maintenance charge. All other matters relating to the assessment, collection, expenditure and administration of the Maintenance Fund shall be determined by the Developer or Committee.

In addition to the maintenance charge herein referred to each lot shall be subject to a monthly charge of \$.50 for street lighting services; such charge will be included in the monthly bill from Gulf States Utilities Company to such lot owner and shall be in addition to all other charges which such lot owners may incur for electric service.

4. The maintenance charge shall not, without the consent of the Developer, apply to lots owned by the Developer or owned by any person, firm, association or corporation engaged primarily in the building and construction business which has acquired title to any such lots for the sole purpose of constructing improvements thereon and thereafter selling such lots; however, upon any such sale of such lots by such persons, firm, association or corporation to a purchaser whose primary purpose is to occupy and/or rent and/or lease such lot (and improvements thereon, if any) to some other occupant, then the maintenance charge shall thereupon be applicable to such lot; and the Developer hereby consents to the applicability of the maintenance charge to each such lot under the circumstances herein stated. Any transfer of title to any lot by any such person, firm, association or corporation engaged primarily in the building and construction business to a transferee engaged primarily in the building and construction business shall not result in the applicability of the maintenance charge to such lot owned by the transferee or any transferee primarily engaged in the building and construction business without the consent of the Developer. The Developer reserves the right at all times, in his own judgment and discretion, to exempt any lot in the Subdivision from the maintenance charge, and exercise of such judgment and discretion when made in good faith shall be binding

and conclusive on all persons and interests. The Developer shall have the further right at any time, and from time to time, to adjust, alter or waive said maintenance charge from year to year as it deems proper; and Developer shall have the right at any time to discontinue or abandon such maintenance charge, without incurring liability to any person whomsoever by filing a written instrument in the office of the County Clerk of Montgomery County, Texas, declaring such discontinuance or abandonment.

5. The maintenance charges collected shall be paid into Maintenance Fund to be held and used for the benefit, directly or indirectly, of the Subdivision; and such Maintenance Fund may be expended by the Developer or Committee for any purposes which, in the judgment of the Developer or Committee will tend to maintain the property values in the Subdivision, including by way of example but not by way of limitation: the payment of maintenance or improvement expenses incurred by lighting, streets, sidewalks, paths, alleys, green areas and parks, parkways, esplanades, areas between streets and lot lines, ramps, boat landings, collecting and disposing of garbage, ashes, rubbish and the like, employing policemen and watchmen, providing fire protection, collecting of maintenance charges, enforcement of restrictions, and generally for doing any other thing necessary or desirable in the opinion of the Developer or Committee to maintain or improve the property of the Subdivision. The use of the Maintenance Fund for any of these purposes is permissive and not mandatory and the decision of the Developer or Committee with respect thereto shall be final, so long as made in good faith.

6. In order to secure the payment of the Maintenance Fund charge hereby levied, a vendor's lien shall be and is hereby reserved in the Deed from the Developer to the Purchaser of each lot or portion thereof, which lien shall be enforceable through appropriate judicial proceedings by the Developer or Committee. Said lien shall be deemed subordinate to the lien or liens of any bona fide lender which hereafter lends money for the purchase of any property in the Subdivision, and/or for construction (including improvement) and/or permanent financing of improvements on any such

property.

7. These provisions as to the Maintenance charge and Maintenance Fund shall continue in effect unless changed in the manner and at the time or times hereinabove provided for effecting changes in the restrictive covenants hereinabove set forth.

8. From and after the filing of the statement provided for in II.2.b. above the Committee shall administer the said Maintenance Fund and Common Fund provided for below, subject to IX. below.

#### VIII.

##### COMMON AREA FUND

1. Each of Lots 102 thru 111 and 116 thru 124 shall, in addition to the Maintenance Fund charge referred to in VII. above, be and is hereby made subject to an annual Common Area charge (hereafter referred to as the Common Area Fund), except as otherwise hereinafter provided.

2. The Common Area charge referred to shall be used to create a fund to be known as the "Common Area Fund"; and each such charge shall (except as otherwise hereinafter provided) be paid by the owner of each residential building site noted in this VIII.1. above, annually in advance, on or before January 1st of each year, beginning January 1, 1972.

3. The exact amount of each such charge and the amount applicable to each area will be determined by the Developer or Committee during the month preceding the due date of said Common Area Fund. All other matters relating to the assessment, collection, expenditure and administration of the Common Area Fund shall be determined by the Developer or Committee.

4. The Common Area Fund charge shall not, without the consent of the Developer, apply to lots owned by the Developer or owned by any person, firm, association or corporation engaged primarily in the building and construction business which has acquired title to any such lots for the sole purpose of constructing improvements thereon and thereafter selling such lots; however, upon any such sale of such lots by such person, firm, association, or corporation to a purchaser whose primary purpose is to occupy and/or rent and/or lease such lot (and improvements thereon, if any) to some other

occupant, then the Common Area Fund charge shall thereupon be applicable to such lot; and the Developer hereby consents to the applicability of said charge to each such lot under the circumstances herein stated. Any transfer of title to any lot by any such person, firm, association, or corporation engaged primarily in the building and construction business to a transferee engaged primarily in the building and construction business shall not result in the applicability of said charge to such lot owned by the transferee on any succeeding transferee primarily engaged in the building and construction business without the consent of the Developer. The Developer reserves the right at all times, in its own judgment and discretion, to exempt any lot in the Subdivision from said charge, and exercise of such judgment and discretion when made in good faith shall be binding and conclusive on all persons and interests. The Developer shall have the further right at any time, and from time to time, to adjust, alter or waive said Common Area Fund charge from year to year as it deems proper; and the Developer shall have the right at any time to discontinue or abandon said charge, without incurring liability to any person whomsoever by filing a written instrument in the office of the County Clerk of Montgomery County, Texas, declaring any such discontinuance or abandonment.

5. The Common Area Fund Charge collected shall be paid into the Common Area Fund to be held and used for the benefit of the Common Area (hereinabove defined) including, by way of example but not limitation, planting and clearing, landscaping, construction and maintenance of pathways and access routes for pedestrians and vehicles; and such Fund may be utilized generally for doing any other thing necessary or desirable in the opinion of the Developer or Committee to maintain or improve, directly or indirectly the Common Areas. Common Area Fund use for these purposes is permissive and not mandatory, and the decision of the Developer or Committee with respect thereto shall be final so long as made in good faith.

6. In order to secure the payment of the Common Area Fund charge hereby levied, a vendor's lien shall be and is hereby reserved in the Deed from the Developer to the Purchaser of each lot

or portion thereof, which lien shall be enforceable through appropriate judicial proceedings by the Developer. Said lien shall exist in addition to the lien for "Maintenance Fund" charges referred to in VII. above and shall be of equal dignity and standing therewith. Said lien shall be deemed subordinate to the lien or liens of any bona fide lender which hereafter lends money for the purchase of any property in the Subdivision, and/or for construction (including improvements) and/or financing of improvements on any such property.

7. These provisions as to the Common Area Fund shall continue in effect unless changed in the manner and at the time or times hereinabove provided for effecting changes in the restrictive covenants hereinabove set forth.

#### IX.

##### TRANSFER OF FUNCTIONS OF THE DEVELOPER

The Developer may at any time hereafter cause one or more non-profit corporations to be organized under the laws of the State of Texas for the purpose of exercising all or any of the duties and prerogatives of the Developer hereunder (including the matters relating to "Maintenance Fund" charges and relating to the Common Area charges and the Common Area Fund). Any such delegation of authority and duties shall serve to automatically release the Developer from further liability with respect thereto and vest such duties and prerogatives in such non-profit corporations. Any such delegation shall be evidenced by an instrument amending this instrument, placed of record in the Deed Records of Montgomery County, Texas, and joined by the Developer and the aforesaid non-profit corporations but not, however, requiring the joinder of any other person in order to be fully binding, whether such other person be an owner of property in the Subdivision, a lienholder, mortgagee Deed of Trust beneficiary or any other person.

#### X.

##### AMENDMENTS

Any or all of the covenants herein may be annulled, amended or modified at any time by the recommendation of the Developer or the Committee, and ratified by ~~as a vote of two-thirds of the lot owners~~

in Subdivision. All such lot owners shall be given thirty (30) days notice in writing of any proposed amendment before same is adopted. There shall be no anullment, amendment or modification of these covenants without the prior recommendation of the Developer or Committee.

XI.

BINDING EFFECT

All of the provisions hereof shall be covenants running with the land thereby affected. The provisions hereof shall be binding upon and inure to the benefit of the owners of the land affected and the Developer and their respective heirs, executors, administrators, successors and assigns.

WITNESS our hands at Houston, Texas on this the 4th day of January, 1971.
