

FENCE OPTIONS

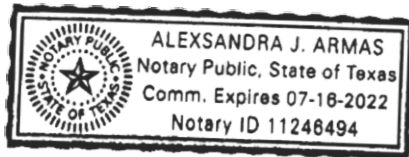

TWELVE OAKS SUBDIVISION

In an effort to provide and protect each individual property owner's rights and values, it is required that any property owner or group of owners considering improvements and/or changes to their home or property submit an ARCHITECTURAL CONTROL GENERAL APPLICATION to the Twelve Oaks Architectural Control Committee (Committee) for planned improvements and/or changes. If any change is made that has not been approved, the Association has the right to ask the property owner to remove the improvement(s) and/or change(s) from the property.
