What the Sellers are taking:

The rose in the Italian planter and all other plants in pots go.

All gallery, porch and patio furniture

The bubbler (fountain) and pagoda

There is a family rock by the back gate that goes with us. It's a rectangular red rock that was a stepping stone for my family's log cabin in central Texas. (They immigrated through Galveston in 1859).

What Conveys:

Shelving and storage in the garage

Washer and Dryer in Garage.

In Garage Apartment all Furnishings including art, dishes and kitchen ware

The landscaping rocks in the yard of course convey but for your information they were collected from the family farm in Bastrop county.

****The Young Chang piano Serial# U-131 that I have had since 1983 is tuned and in excellent condition can be had for \$1000. Original cost was \$6000. It's great for a party and of performance training quality.
