DATE MADE 1000

A detailed map of the Arroyo Seco area. It shows the main Arroyo Seco River flowing from the top left towards the bottom right. A large, shaded rectangular area is labeled 'ARROYO SECO'. To its right, another shaded area is labeled 'ARROYO SECO BRANCH'. Further downstream, a third shaded area is labeled 'ARROYO SECO CANAL'. The map also features several smaller, unshaded areas representing urban or developed land. Labels like 'ARROYO SECO' and 'ARROYO SECO BRANCH' are repeated at different points along the river's path.

A small, rectangular map showing a town or city layout. The map includes several labeled streets and landmarks, such as "High Street", "Market Place", "Church", and "Bridge". The style is characteristic of 18th-century cartography.
