

Dear Prospective Member:

Thank you for considering Walden on Lake Conroe Golf Club as your potential Club home. We are proud to have a membership base of the finest individuals and would be thrilled to welcome you to the Walden Family.

Walden is a private golf club, open to residents and non-residents of Walden. This private course was designed by Robert von Hagge and former PGA Tour player, Bruce Devlin. The Club opened in 1976 and since its inception, Walden on Lake Conroe has enjoyed a reputation as one of the premier golf courses in Texas. Walden consistently ranks in the top ten golf courses across Texas according to the annual Dallas Morning News Golf Survey.

Walden's design encompasses the natural beauty of tall stands of pine trees, oak trees and is outlined on four holes by Lake Conroe. It provides both the novice and accomplished player everything that they might desire in golf. Walden's beauty and design speak for itself. From start to finish, Walden on Lake Conroe is truly a memorable experience.

I would welcome the opportunity to visit with you further about the benefits and features of membership here at Walden Golf Club and look forward to sharing the magic of our Club with you.
