

Upgrades and Features in Home

Property Address:

322 Meters St. Houston, TX 77020

Upgrades and Features Include:

Completely remodeled from the studs up and redesigned to allow for larger closets/storage, expanded primary bathroom, added kitchen island, added primary closet (Summer/Fall 2016 and Fall 2017)

Extra large walk-in/roll-in shower and granite countertops in primary bathroom

Quartz countertops in kitchen with all appliances included

Roof replaced in 2018

Wood-look tile in all rooms except bathroom, which have marble-like tile

All new plumbing from inside home to street

EXCELLENT energy efficiency – Double pane windows, cell foam insulation added in walls and spray foam insulation added in attic

Backyard patio cover and stamped concrete added less than 4 years ago

All new modern lighting and ceiling fans

Carport added less than 4 years ago

New paint inside and out

Large storage shed in backyard (needs a little access work but great extra storage space inside!)

Iron fence frame with 8ft wooden posts and access door to sidewalk installed January 2020 (backyard)
