1/10

Gorgeous brick patio home nestled in the heart of Briarwood. Lush landscaping with low maintenance and easy care plants is equipped with a sprinkler system.

A long, double wide driveway leads to a spacious 2 car garage. A great space to gather with the neighbors or add some tents for parties.

Immaculate and very well maintained, this home features recent roof and foundation repair with transferable warranty. The major work has been done!

Beautiful landscaping and smart use of plants and materials create inviting sitting areas or a place to hang out with neighbors.

MLS Number: **96581072**

3/10

Gorgeous brick fireplace accented by rich hardwoods, the perfect ambiance for a relaxing evening.

Formal dining room with an exquisite rain drop chandelier with serene views of the side courtyard.

The traditional floor plan still feels quite open with wide room frames allowing views to all living areas.

Side courtyard off the kitchen's counter makes a great space for outdoor grilling/living.

**2231 Jamara Lane, Houston, Texas 77077**  
MLS Number: **96581072**

4/10

A wonderful outdoor living space to enjoy ice tea during the Texas summers or add a firepit for fall evenings.

A chef's kitchen with stainless steel fixtures and endless counter and storage spaces.

The place everyone will sure to gather, the island cooktop keeps the chef in the party.

The floor plan flows effortlessly from living to kitchen, making perfect use of every square footage.

**2231 Jamara Lane, Houston, Texas 77077**  
MLS Number: **96581072**

5/10

Kitchen area features beautiful Earth tones to make great use of the incoming natural light.

This den is magnificent! Sits off the kitchen, is sure to be the most used room in the home.

With magnificent views of the veranda, the den is a great space for watching some TV or a few minutes with a book.

A wall of windows lets in tons of natural light! Open to breakfast and kitchen area.

**2231 Jamara Lane, Houston, Texas 77077**

MLS Number: **96581072**

6/10

Breakfast area off the kitchen, there's plenty of pantry space for all your storage needs.

The veranda connects the garage to the breakfast area, makes bringing in the groceries a breeze.

The covered veranda with brick walls feels like you're in secluded resort or a New Orleans outdoor restaurant. Your morning coffee and a book just got better.

Spacious master retreat features plush carpeting, wood accents and extra closet space.

2231 Jamara Lane, Houston, Texas 77077  
MLS Number: 96581072

7/10

Master bedroom is large enough to add a sitting area overlooking the side courtyard.

The en-suite bath is an oasis and features plenty of storage space and a vanity area.

Master closet maximizes efficiency and effortlessly organizes space for shoes, accessories, and more.

MLS Number: 96581072

8/10

A spacious secondary bedroom currently being used as an office. This room has access to the backyard, a rare find in a patio home.

The secondary bathroom tucked between the two bedrooms features granite counters and a private shower/toilet makes getting ready for the day efficient.

One of the two secondary bedrooms outfitted with plush carpeting and a ceiling fan. The extra large window allows copious amounts of natural light to spill in.

The light, bright secondary bedroom is the ideal setting for family or guests.

9/10

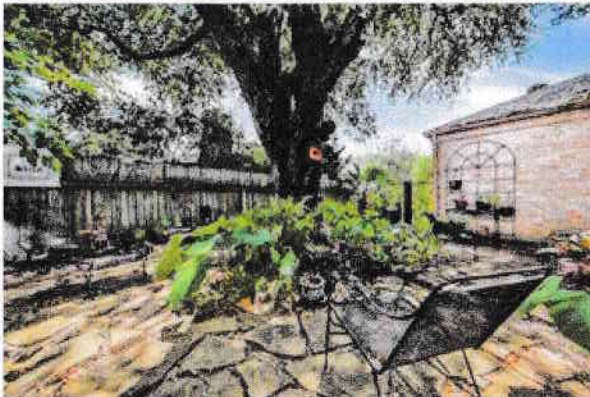

What a well executed floor plan which places all the living area in front and secludes the bedrooms to the rear of the home for privacy and quietness. The extra room upstairs creates plenty of storage space under the stairs.

Another rare find, an extra game room upstairs featuring high traffic carpet, ceiling fan and plenty of storage space.

Low maintenance was the key to keeping this landscaping green and lush. Imagine never mowing the lawn ever again.

What a treat! Like having your own private oasis away from the city.
