**Offers Open Monday 5/16– End Sunday 5/22 at 5PM
We will notify you by Sunday 5/29 if your offer was accepted.**

You requested information regarding available homes within the D.R. Horton Houston South Division. We are excited to announce that we now have additional homes available for purchase. We will be accepting offers online or by contacting a D.R. Horton Tamarron sales representative Monday through Sunday.

D.R. Horton will review all offers submitted for each available home and will determine which offer, if any, to accept. This decision is at D.R. Horton's sole discretion. We recommend all prospective purchasers put forth their highest and best offer to purchase. A Pre-Approval letter from your lender is highly encouraged. We will contact you regarding the status of your offer once all offers have been reviewed. If your offer to purchase is accepted, please note the following: We will require you to review and complete our full purchase agreement. You will also be asked to obtain a mortgage pre-approval as an owner occupant within 2 days of contract acceptance. This includes cash purchases in order to verify eligibility and occupancy status.

Our available homes are currently only available to primary purchasers unless otherwise specified. Earnest & Option Deposits are non-refundable and are required upfront. We would be delighted to assist you with any questions you may have while submitting your offer to purchase. Please contact one of our available Tamarron sales associates if you have any other questions.
