Interview with the Sellers

Thank you for touring our home. Here is some information that we felt might help you in your decision-making process.

1

Why did you decide to buy this home for yourself?

We've always wanted to own in Shepherd Park Plaza. We love this home for its five bedrooms and a 3-car garage! As our family grew, we were happy to have the extra storage space in the garage. Plus, the fenced-in backyard made for a fantastic place to build lasting memories.

2

What do you think are the best features of your home?

We are grateful that there are 5 bedrooms to provide room for guests, plus there's plenty of space for entertaining. The two dining areas that flank the kitchen have been central to many great conversations and celebrations.

3

Please tell me about your neighborhood.

We have enjoyed every minute of living in Shepherd Park Plaza and it offers so much for a near-town neighborhood! Some of our favorite features include: The sidewalks throughout the neighborhood, The SPP Civic Club, Durham Elementary, Shepherd Park, and the well-funded Constable Program. SPP truly is the premier neighborhood in this area!

4

What are your favorite places for recreation, shopping and dining nearby?

The convenient central location of SPP allows a wide range of accessibility to downtown and many shopping areas within 15 minutes or less. There are local shops and restaurants on Pinemont, in Garden Oaks on Wakefield, near Kroger on 43rd Street and in the Heights. We love having local book stores nearby too!

5

Are there any items you want specifically excluded?

The projector and upstairs bedroom lighting fixture.
