 - (a) The owners of lots purchased in said Subdivision shall pay a Maintenance Fee in the sum of Forty-five and no/100 (\$45.00) Dollars per lot, on the 1st day of each year, beginning on the 1st day of January, 2017, to the Association to be used for the upkeep of the roads, parks and common facilities in said Subdivision as set out in the plat of said Subdivision. Said Maintenance Fee shall be secured by a lien against said lot, and failure to pay said assessment shall constitute a foreclosure lien against said

lot. This lien is in the form of an assessment to run with the ownership of said lots. The Maintenance Fee shall be deemed delinquent if not paid by April 10th of the year in which such maintenance fees are due.

- (b) The amount of the annual maintenance fee may be adjusted as shall be determined by a majority vote of the members, represented in person or by proxy, of the Association at the annual meeting of the Association, at which a quorum of the members, represented in person or by proxy, is obtained. Notice shall be given to all lot owners of said annual meeting and of the proposed annual maintenance fee to be determined for the next fiscal year. In the event the proposed maintenance fee fails to obtain the necessary votes at the annual meeting, then the maintenance fee for the next fiscal year shall remain at the same amount as then currently set, but in no event to be less than Forty-five and no/100 (\$45.00) Dollars per year. Said assessments shall be in the form of a covenant to run with the ownership of the said lots. It is expressly provided that the Vendor's Liens retained by Developer and assigned to the Association shall remain in full force and effect.
- (c) The maintenance fund shall, to the extent available, be applied to the payment of maintenance expenses and/or construction costs incurred for any or all of the following purposes, as determined by the Board of said Association:
- (1) lighting, constructing, improving, and maintaining streets, sidewalks, paths, parkways, esplanades, or swimming pools, if any;
 - (2) improvements of any area between curbs and sidewalks;
 - (3) collecting and disposing of garbage, ashes, rubbish and similar material as well as the maintenance of vacant lots;
 - (4) the construction of clubhouse facilities, ramps, boat landings, boat basins and other similar recreation facilities on areas so reserved by developer;
 - (5) payment of legal fees and court costs of the Association;
 - (6) payment to contractors for bookkeeping and tax work; and
 - (7) doing any other thing necessary or desirable in the opinion of the Board of said Association to keep the property neat and in good order or which is considered of general benefit to the owners or occupants of the Subdivision including any expenses incurred in enforcing any provisions of the restrictions, including any amendments thereto, on file in the County Clerk's office of Polk County, Texas.
- (d) If lot owners sell any portion of their land, they are to notify the Association, within ten (10) days of the sale, of the name and address of the buyer so that the aforesaid assessments may be collected from the new owner.

2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of improvement of the streets and services, for promoting the health, welfare, recreation, and safety of the Lot Owners within the Property, for maintenance of the Common Area for use by the Lot Owners, and for professional fees. The use of the

annual assessments for these purposes, as well as the accumulation of a reserve fund, is permissive and not mandatory. The expenditure of these funds shall be under the authority of the Board of Directors of the Association, and it is understood that the judgment of the Board as to said expenditures shall be final and conclusive so long as said judgment is exercised in good faith. Accounting of these funds shall be maintained as a part of the accounting records of the Association, and are subject to audit under the same conditions, as hereinafter indicated.

3. Uniform Rate of Assessment. Annual assessments shall be fixed at a uniform rate for all Lots within the Subdivision.
4. Start Dates and Due Dates for Annual Assessments. The Annual Assessments provided for herein shall commence as to all Lots on **January 1, 2017**. The Board of Directors shall fix the Annual Assessment against each Lot at least forty-five (45) days in advance of each annual assessment period; however, the failure by the Board of Directors to fix an annual assessment for any year shall not be deemed a waiver with respect to any of the provisions of this declaration these Restrictions, or release of the liability of any Member to pay assessments, or any installment thereof, for that year or any subsequent year. In the event of such failure, each Owner shall continue to pay the Annual Assessment for the previous year until a new annual assessment is established. The new annual assessment established by the Board of Directors shall be applied retroactively to the commencement of the then current assessment year, and the deficit (difference) shall be paid within forty-five (45) days after receipt of a statement therefore. Written notice of the Annual Assessment shall be sent to every Owner subject thereto, to the Owner's address of record.
5. Special Assessments. In addition to the Maintenance Fee assessment set forth in these 2017 Restated and Amended Restrictions, the owners of lots purchased in said Subdivision shall be subject to a "Special Assessment" for road repairs, in such amount as may be established by the Association at a special or annual meeting of the members, at which a quorum is present and at which notice for an election for the assessment of said Special Assessment is given at least thirty (30) days in advance of such meeting. Should the special assessment be approved by a majority vote of the members, represented in person or by proxy, of the Property Owners Association at the annual meeting of the Property Owners Association, then the Special Assessment shall become effective on the date noticed, with the proceeds from such special assessment being ear-marked for the specific purpose set forth in the notice of such election. Said Special Assessment shall be secured by a lien against said lot, the same lien as provided for by restrictions. The failure to pay said any Special Assessment shall constitute authorize the Association to bring a lawsuit to judicially foreclosure lien against said lot. This lien is in the form of an assessment to run with the ownership of said lots. The Special Assessment shall be deemed delinquent if not paid within thirty (30) days of the date set forth in the notice as being the date the Special Assessment is due.
6. Remedies for Non-Payment of Assessments. Any assessments which are not paid when due shall be deemed delinquent. If the assessment is not paid by April 10 of that current billing

year, the assessment shall bear interest from the date of delinquency (due date) at the rate of ten percent (10) per annum. The Association may bring an action at law against the Owner personally obligated to pay the same, or enforce a lien against the property. Interest, cost, and reasonable attorney's fees relating to such action shall be added to the amount of the assessment. Each such Owner, by his acceptance of a deed to a Lot or Lots hereby vests in the Association or its agents the right and power to bring all actions against the Owner personally for the collection of such charges as a debt and to enforce the aforesaid lien by all methods available for the enforcement of such liens. No Owner may waive or otherwise escape liability for the assessment provided for herein, by non-use of the Common Area streets and walkways, or by abandonment of his/her Lots(s).

7. Owner's Obligations and Vendor's Liens.

- (a) The Owners of the several Lots within the Property, by acceptance of a deed or deeds or other conveyance therefore hereby covenant and agree, whether or not it shall be expressed in any such deed or other conveyance, to pay to the Association annual assessments or charges to be fixed, established and collected from time to time, as necessarily and duly established by the Board of Directors.
- (b) When found to be in arrears, the annual assessments, together with such interest, and/or costs of collection thereon and therefore, as hereinafter provided, shall be a charge on the Lots and against the Owner(s) thereof, and shall be a continuing lien against the property against which such assessments are made. In order to secure the payment of the assessments hereby levied, a Vendor's Lien for the benefit of the Association shall be and is hereby reserved in the deed from the Owner to the purchaser of each Lot or portion thereof, which lien shall be enforceable through the appropriate judicial or non-judicial proceedings by the Association. As additional security for the payment of the assessments hereby levied, each Owner of a Lot in the Subdivision, by such party's acceptance of a deed thereto, hereby grants the Association permission to place an appropriate assessment lien on each Lot having outstanding dues.
- (c) In addition to enforcing the lien hereby retained, in the event of non-payment by any Owner of such Owner's portion of any assessment, the Association may, acting through its Board of Directors, upon thirty (30) days prior written notice thereof to such non-paying Owner, in addition to all other rights and remedies available at law or otherwise, restrict the rights of such non-paying Owner to use the Common Areas and Recreational Facilities (if any) in such a manner as the Association deems fit or appropriate, and/or suspend the voting rights of such non-paying Owner so long as the default exists.

8. Notice of Lien. In addition to the right of the Board of Directors of the Association to enforce assessments, the Board of Directors may file a claim or lien against the Lot(s) of the delinquent Owner or Member by recording a "Notice of Lien" setting forth the following:

- (a) The legal description and street or mailing address of the Lot(s) against which the claim of delinquency is made.
 - (b) The name of the Owner thereof, thereby evidencing the Owner's non-payment of the assessments and charges provided for herein.
 - (c) The amount of the basic claim of delinquency.
 - (d) The interest and costs of collection (if any) which have accrued thereon. Such "Notice of Lien" shall be signed and acknowledged by an officer and/or other duly authorized agent of the Association. The lien shall continue until the amount secured thereby and all subsequently accruing amounts are paid in full or otherwise satisfied. When all amounts claimed under the Notice of Lien, including those costs accrued after the date of the filing of the Notice of Lien have been fully paid or otherwise satisfied, the Association shall execute and record a notice releasing the Lien, upon payment by the Owner to the Association of a reasonable fee to cover the preparation and recording of such release of lien instrument.
9. Exempt Property. All properties dedicated to and accepted by a local public authority, the Common Area and all properties owned by the Association are exempt from assessments.

- (b) In the event any portion of the provisions hereof shall become or be held invalid, whether by reason of abandonment, waiver, estoppel, judicial decision or otherwise, such partial invalidity shall not affect, alter or impair any other provision hereof, which was not thereby held invalid; and such provisions, including Restrictions, Reservations and Covenants shall remain in full force and effect, binding in accordance with their terms.

4. Liberal Interpretation. The provisions of these Restrictions, shall be liberally construed as a whole to effectuate the purpose of these Restrictions.
5. Successors and Assigns. The provisions hereof shall be binding upon and inure to the benefit of the Owners and the Association, and their respective heirs, executors, administrators, successors and assigns.
