You deserve precision, superior quality and real value from a name you can depend on.

## 4-TRACK VERTICAL VINYL PANE WINDOWS

### SUPERIOR CONSTRUCTION

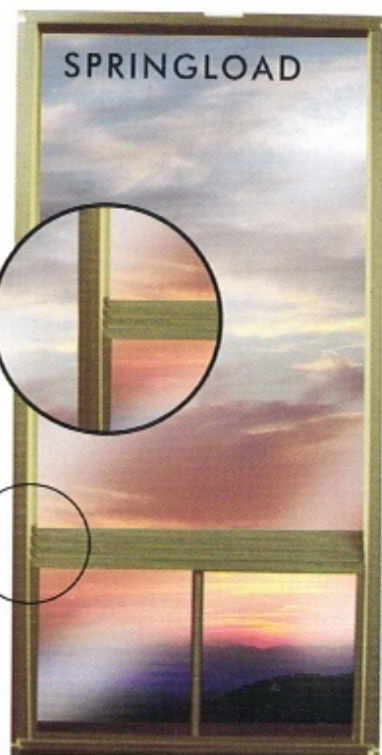

VINYL PANE windows feature durable, weather-resistant, 10-mil vinyl. All windows are custom-fitted for smooth operation and designed to provide easy cleaning from inside. Our unique design makes ventilation up to 70% possible. Select either white or bronze frames with clear, bronze, purple or smoke gray vinyl.

10-YEAR WARRANTY

*If you live on a golf course, among trees, or have active children or pets, you'll appreciate the durability of Custom Window Systems' VINYL PANE™ windows. The demonstration here shows why!*

*The highest quality vinyl, as well as every bit of hardware, both visible and unseen by the consumer, complements carefully tested designs that are proven durable and user-friendly.*

*Select either our vertical spring-loaded style window, or our tilt pin style with stainless steel retaining springs for reliable operation. Either style offers our unique fresh-air system which gives you up to 70% ventilation.*

# HORIZONTAL VINYL PANE

Discover yet another method of enclosing your screened porch – the horizontal slider – the most simple yet versatile window available.

Horizontal VINYL PANE windows, when closed and locked, offer protection from the outside elements. When open, they allow up to 50% air-flow through the screened area. Vents can also be removed allowing total screen room ventilation.
