Interview with the Sellers

Thank you for touring our home. Here is some information that we felt might help you in your decision-making process.

1

Why did you decide to buy this home for yourself?

We discovered Spring Valley Village only a short time before finding this home in 2006 and we loved it because of the trees, small community feel and location, since it's easy to get anywhere. We also liked that Spring Valley Village has its own police and fire departments.

2

What do you think are the best features of your home?

The arched walls and built-in cabinets/bookcases in the living area, the fireplace, our kitchen and the backyard areas that make us feel like we're on vacation.

3

Please tell me about your neighborhood.

Spring Valley Village feels very safe and we have great neighbors. We walk our dogs around here daily and have met many neighbors this way. We always see people walking or running in the neighborhood. It's very pleasant.

4

What are your favorite places for recreation, shopping and dining nearby?

Jonathan's the Rub is our favorite nearby restaurant—they've moved to a new location in Spring Valley. For shopping, we usually go to Highland Village or Memorial City mall. For groceries, HEB and Kroger are very close by.

5

Are there any items you want specifically excluded?

The statue of St. Francis in backyard; the large mirror on wall in master bedroom and mirror attached to wall behind the door in hall bathroom.
