3. The rights and easements in the COMMON AREAS are subject, however, to the following:
 - (a) The right of the Association to prescribe regulations governing the use, operation and maintenance of the COMMON AREAS (including limiting the number of guests of OWNERS);
 - (b) Subject to the affirmative approval of OWNERS entitled to cast two-thirds (2/3) of the votes of OWNERS, the right of the ASSOCIATION, to borrow money for the purpose of improving the COMMON AREAS and facilities and to mortgage the COMMON AREAS;

**ARTICLE IV.
MEMBERSHIP AND OWNERSHIP**

1. Every OWNER shall automatically be a member of the ASSOCIATION.
2. It is specifically understood that a portion of the RESIDENTIAL PROPERTY may be sold to the State of Texas pursuant to the Veteran's Land Board of the State of Texas program. The State of Texas shall not be responsible for payment of the annual assessment provided for herein. Instead, the veteran contracting to purchase any UNIT from the State of Texas shall be considered as the OWNER of any such UNIT, shall be considered a member of the ASSOCIATION, shall be personally responsible for payment of the annual assessment provided for herein and shall be entitled to cast all votes with respect to such UNIT. Execution of a Contract of Sale between a veteran and the Veteran's Land Board of the State of Texas for any UNIT shall signify that such veteran accepts, ratifies and will comply with the terms of this DECLARATION. In the event that the State of Texas forfeits the contract of sale with a veteran, neither the UNIT nor the State shall be liable for assessments past or present. However, when such UNIT is resold or placed under another contract of sale with the Veteran's Land Board of

the State of Texas, the UNIT and the new OWNER shall thereafter be subject to assessments in accordance with the terms hereof.

3. Subject to the provisions of this Article IV, each UNIT shall be owned by only one person or by two persons if they are husband and wife. An OWNER of a 100% interest in a UNIT may sell or transfer his interest in such UNIT at any time, whether during lifetime or at death, if the purchaser or transferee of 100% of the interest in such UNIT is either one person or two persons if they are husband and wife. An OWNER of an undivided fractional interest in a UNIT may sell or transfer, whether during lifetime or at death, his undivided fractional interest to the owner of another individual fractional interest and otherwise he may sell his undivided fractional interest only if all of the other OWNERS who own an undivided fractional interest in such UNIT join with such OWNER such that a 100% interest in such UNIT is sold or transferred to, or owned at the completion of the transfer or transfer by, one person or two persons if they are husband and wife: provided, however, an OWNER of a 100% interest in a UNIT, or an OWNER of an undivided fractional interest in a UNIT, may transfer his interest at death to such OWNER'S spouse and/or to any or more of his issue or to a trust for the benefit of such spouse and/or any one or more of his issue. Any purported transfer in violation of this paragraph by an OWNER (including but not limited to a transfer under the laws of descent and distribution which would, except for this Article IV, vest ownership of an undivided fractional interest in a person or persons other than an OWNER'S spouse or issue, and a transfer under a divorce or property settlement that would, except for this Article IV, vest ownership in two persons who are no longer husband and wife) shall be void and ineffectual, and shall not operate to transfer any interest or title to any purported transferee. For purposes of this Article IV, the term "issue" means all descendants of whatever degree of the named ancestor, including descendants both by blood and by adoption, providing the adoption is by court proceedings, the finality of which is not questioned by the adopting person, and the term "spouse" means the person to whom an individual is married and from whom such individual is not divorced.

4. An OWNER may permit the use of a UNIT by immediate family members and guests accompanied by immediate family members. However, the use of UNITS and COMMON AREAS by guests may be regulated by the ASSOCIATION which may promulgate rules and regulations as to the number of guests which may be permitted at any one time. An OWNER may lease his UNIT, provided that such lease shall not be for a term shorter than six (6) months and during the term of said lease, the tenant under the lease shall be deemed to be the OWNER for purposes of use of the COMMON AREAS and the OWNER shall not have the right to the use of the COMMON AREAS except as a guest of the tenant subject to all of the rules and regulations of the ASSOCIATION with respect to guests. Although a UNIT is leased, the OWNER shall remain liable for the assessments and shall retain the right to vote in the ASSOCIATION.

5. It is specifically understood that the holder of a contractual lien upon any UNIT may purchase such UNIT at a foreclosure sale notwithstanding the provisions of Article IV (3) or by virtue of a Warranty Deed in Lieu of Foreclosure of its lien and shall be referred thereafter as a FORECLOSURE PURCHASER. The FORECLOSURE PURCHASER shall not have the right to the use and enjoyment of the COMMON AREAS and the foreclosure purchaser shall not be members of the ASSOCIATION if such FORECLOSURE PURCHASER does not meet the

requirements of Article IV (3). A transfer by the FORECLOSURE PURCHASER must be in compliance with Article IV (3).

ARTICLE V. VOTING RIGHTS

1. All OWNERS shall be entitled to one vote for each UNIT owned by an OWNER. When more than one person holds an interest in a UNIT, all such persons shall be members of the ASSOCIATION but the vote for such UNIT shall be exercised as they determine among themselves, but in no event shall there be more than one vote cast with respect to any UNIT.
2. An OWNER may cast an eligible vote in person or by proxy at any meeting of the ASSOCIATION.
3. No cumulative voting shall be permitted.
4. Any action of the ASSOCIATION or any consent or approval of the ASSOCIATION may be taken or deemed given if agreed to in writing by OWNERS entitled to cast the number of votes necessary to approve such action or to grant such consent or approval whether or not a meeting has been held or called.
5. Except as specifically set forth in this DECLARATION, notice, voting and quorum requirements for all actions to be taken by the ASSOCIATION shall be as set forth in its Articles of Incorporation and Bylaws, as same may be amended from time to time.

ARTICLE VI. POWERS OF THE ASSOCIATION

The ASSOCIATION shall have the following powers which are exercisable within its sole discretion:

1. To enforce this DECLARATION either in its own name or in the name of any OWNER.
2. To maintain all COMMON AREAS and the facilities owned by the ASSOCIATION, and to promulgate such rules and regulations as it may deem advantageous for the use and enjoyment of the COMMON AREAS.
3. To authorize the BOARD to borrow money on behalf of the ASSOCIATION; provided that the borrowing of funds is approved and sanctioned by OWNERS entitled to cast two-thirds (2/3) of the votes of the OWNERS.
4. To construct and maintain improvements to COMMON AREAS.

5. To hire a manager to manage the affairs of the ASSOCIATION to the extent deemed desirable by the BOARD and to employ such other personnel as the BOARD determines to be necessary or desirable for the operation of the ASSOCIATION.
6. To expend its funds for the above-mentioned purposes and for such other purposes as said ASSOCIATION acting through its BOARD may deem advisable for the general welfare of the OWNERS.
7. To enhance the LAKE, which right includes the right to stock the LAKE with fish and to maintain the LAKE in such a manner as to produce good fishing from said LAKE and the right to cultivate and enhance other wildlife in the COMMON AREAS.
8. To pay all real and personal property taxes and other taxes and assessments levied upon or with respect to the ASSOCIATION or the COMMON AREAS. The ASSOCIATION shall have all rights granted by law to contest the legality and the amount of such taxes and assessments.
9. To obtain and maintain in effect policies of insurance adequate, in the opinion of the BOARD, in kind and amount. Without limiting the generality of the preceding sentence, such policies of insurance shall include fire and extended coverage insurance on all improvements, bodily injury and property damage, liability insurance, worker's compensation insurance and such other insurance, including indemnity and other bonds, as the BOARD shall deem necessary.
10. To make, establish, promulgate, and in its discretion to amend or repeal and reenact such rules and regulations, not in contradiction of this DECLARATION, as it deems proper covering any and all aspects of its functions, including the use and occupancy of the COMMON AREAS and to interpret the terms of this DECLARATION. Each OWNER shall be entitled to examine such rules and regulations at any time during normal working hours at the principal office of the ASSOCIATION.

**ARTICLE VII.
COVENANT FOR MAINTENANCE ASSESSMENTS**

1. **Creation of the Lien and Personal Obligation of Assessment.** By purchase of a UNIT, each OWNER is deemed to covenant and agree to pay to the ASSOCIATION annual assessments or charges, special assessments for capital improvements, such assessments to be established and collected as hereinafter provided and individual special assessments levied against individual OWNERS to reimburse the ASSOCIATION for extra costs for maintenance and repairs caused by the willful or negligent act of an OWNER or his tenants, guests or invitees. Each such assessment, together with interest, costs and reasonable attorney's fees shall be the personal obligation of the OWNER at the time when the assessment was due, and shall also constitute a charge on and shall be a continuing lien upon each UNIT AGAINST WHICH SUCH ASSESSMENT WAS MADE.
2. **Purpose of Assessments.** The purpose of the assessments levied by the ASSOCIATION shall be for the enforcement of these covenants, conditions and restrictions, to permit the

ASSOCIATION to carry out and to exercise those powers and duties conferred upon the ASSOCIATION herein, to promote the recreation, health, safety and welfare of the residents of the PROPERTY and for the improvement and maintenance of the COMMON AREAS.

3. **Uniform Rate.** Both annual and special assessments shall be fixed, determined and collected by the BOARD at a uniform rate for each UNIT.

4. **Maximum Annual Assessment.**

(a) Effective January 1 of the year immediately following the conveyance of the COMMON AREAS to the ASSOCIATION, the Board may establish an annual assessment of no more than \$90.00 per UNIT.

(b) January 1 of the year immediately following the year in which the first assessments are established and in each year thereafter, the Board may increase the annual assessment applicable to the year commencing that January 1 by not more than 10% above the maximum annual assessment for the previous year without a vote of the OWNERS.

(c) The maximum annual assessment may be increased by more than 10% in any year if approved by a vote of two-thirds (2/3) of OWNERS of the ASSOCIATION who are voting in person or by proxy, at a meeting duly called for this purpose.

(d) Unless and until otherwise set by the BOARD in accordance with the provisions hereof, the annual assessment for any year shall be at the same rate and amount as the preceding year.

(e) Any UNIT which is sold to an OWNER shall automatically become subject to the rate assessed other OWNERS as of January 1 of the year immediately following the year of acquisition; provided that, such assessment shall be payable only if and when assessments are otherwise accruing pursuant hereto.

5. **Date of Commencement of Annual Assessments.** The BOARD shall fix the amount of the annual assessment against each UNIT at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every OWNER subject thereto. The due dates shall be established by the BOARD. The ASSOCIATION shall, upon demand, and for a reasonable charge, furnish a certificate signed by an Officer of the ASSOCIATION setting forth whether the assessments on a specified UNIT have been paid. A properly executed certificate of the ASSOCIATION as to the status of assessment on a lot is binding upon the ASSOCIATION as of the date of its issuance.

6. **Special Assessments for Capital Improvements.** In addition to the annual assessments authorized above, the ASSOCIATION may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the COMMON AREAS, including fixtures and personal property related thereto, provided that any such assessment shall have the consent of OWNERS entitled to cast two-thirds (2/3) of the votes of OWNERS. Such special assessments, if unpaid, shall be null and void as a lien upon such

UNIT in the event of a forfeiture by the Veterans Land Board of the State of Texas to such UNIT, or if such special assessment is levied during the time that said UNIT is in the state of forfeiture.

7. Effect of Non-Payment of Assessments. The Personal Obligation of the Owner. The Lien. Remedies of Association. Annual assessments shall be due and payable on or before the 1st day of January of each calendar year unless otherwise established by the BOARD and special assessments and individual special assessments shall be due when indicated by the BOARD.. If any assessment or any part thereof is not paid within thirty (30) days of its due date, it shall, together with interest at the lesser of the prime interest rate published in the Wall Street Journal on the first weekday of the year the said interest shall initially accrue or the maximum rate allowed by law and cost of collection thereof including reasonable attorneys fees incurred and court costs, thereupon becoming a continuing lien on the UNIT of the nonpaying OWNER WHICH SHALL BIND SUCH UNIT in the hands of the OWNER, his heirs, executors, devisees, personal representatives and assigns. The personal obligation of the OWNER to pay such assessments, however, shall remain his personal obligation and the lien for unpaid assessments shall be unaffected by any sale or assignment of a UNIT and shall continue in full force and effect except as otherwise provided in Article IV, paragraph 2 hereof. No OWNER may waive or otherwise escape liability for the assessment provided herein by nonuse of the COMMON AREAS or abandonment of his UNIT. If an assessment is not paid within thirty (30) days of its due date, the ASSOCIATION may, at its election, acting by its BOARD deny access to the COMMON AREAS to said OWNER, and/or bring an action of law against the OWNER personally obligated to pay the same in order to enforce payment and/or to foreclose the lien against the UNIT subject thereto and there shall be added to the amount of such assessment the costs of preparing and filing the complaint in such action, and, in the event a judgment is obtained, such judgment shall include interest on the assessment as above provided and a reasonable attorney's fee to be fixed by the court, together with the costs of action.

8. Subordination of the Lien to Mortgages. The lien securing the assessments provided for herein shall be subordinate and inferior to the lien of any first mortgage or deed of trust now or hereafter placed upon the UNITS subject to assessments; provided however, that such subordination shall apply only to the assessments which have become due and payable prior to the sale, whether public or private, of such property pursuant to the terms and condition of any such deed of trust. Such sale shall not relieve such UNITS from liability for the amount of any assessments thereafter becoming due nor from the lien of any such subsequent assessment except as otherwise provided in Article IV paragraph 2 hereof.

**ARTICLE VIII.
LIMIT ON UNITS AND UNIT DESIGNATION**

1. There shall not exist more than 250 UNITS on the PROPERTY; provided that, if any of the UNITS subject to paragraph 3 of this Article VIII are subdivided pursuant to the terms of said provision so that said UNITS become two UNITS they shall nevertheless be counted as one UNIT for purposes of this limitation.

2. Any OWNER who acquires more than one LOT shall be deemed to have elected to have each LOT treated as a separate UNIT for all purposes of this DECLARATION unless any of the following conditions are met:

- (a) The deed from HORSESHOE BEND, INC. to OWNER establishes two or more LOTS being conveyed as a single UNIT.
- (b) The lots or portions of lots being conveyed are described in the deed from HORSESHOE BEND, INC. to OWNER in a metes and bounds legal description as one tract of land in which case the property shall be designated as one UNIT.
- (c) The OWNER makes an election in writing filed with the ASSOCIATION and in the Real Property Records of Wood County, Texas electing to have one or more LOTS owned by such OWNER designated as a single UNIT. OWNER can make the election only with respect to contiguous LOTS.

If any of the above conditions apply and one or more contiguous LOTS are designated as a single UNIT for purposes of this DECLARATION, the UNIT made up of two or more LOTS shall be subject to one assessment as a UNIT and the OWNER thereof shall have one vote for that UNIT regardless of how many LOTS comprise the UNIT. However, by designating more than one LOT as a single UNIT, the OWNER agrees that the combined UNIT cannot thereafter be subdivided unless the tract consists of five or more acres in which event Article VIII, Section 3 as amended herein must be complied with. The OWNER further agrees that the LOTS making up the UNIT cannot be sold to separate OWNERS but for all purposes thereafter all of the LOTS comprising the UNIT must be treated and sold together as if they were one LOT. If an owner does not elect to treat contiguous LOTS as a single UNIT each LOT shall be a UNIT and shall be subject to an assessment as provided herein and the OWNER shall be entitled to one vote for each such LOT. In the event the combined UNIT consists of five or more acres, it may be subdivided one time only pursuant to the amendment herein of Article VIII, Section 3 of the Declaration of Covenants, Conditions and Restrictions of Horseshoe Bend Homeowners Association.

3. Any UNIT consisting of five acres or more may be subdivided into not more than two separate UNITS; provided that, neither of the subdivided UNITS shall contain less than one (1) acre. In order to subdivide a five acre UNIT pursuant hereto, the OWNER shall file a metes and bounds description or a plat in the Real Property Records of Wood County, Texas setting out the boundaries of each subdivided UNIT and shall also deliver a copy thereof to the ASSOCIATION. After said subdivision, each subdivided UNIT shall be considered to be a separate UNIT for all purposes hereof and may not thereafter be subdivided again. Each such UNIT shall be subject to separate assessment and each such UNIT shall be entitled to one vote.

ARTICLE IX. ARCHITECTURAL CONTROL

There shall be an Architectural Committee composed of a minimum of three (3) owners. The ARCHITECTURAL COMMITTEE or the ASSOCIATION must approve the plans and location for any dwelling or building built on the PROPERTY and the plans and location for any dock or pier to be constructed in connection with UNITS contiguous to the lake, and any fences,

retainage walls and other matters which are subject to the approval of the ASSOCIATION or the ARCHITECTURAL COMMITTEE pursuant to the terms hereof.

In the event that the ARCHITECTURAL COMMITTEE fails to approve or disapprove said plans and specifications within thirty (30) days after the submission thereof, said plans and specifications shall be deemed to have been approved. Neither the members of the ARCHITECTURAL COMMITTEE nor its designated representatives shall be entitled to compensation for, or liable for damages, claims or causes of action arising out of actions taken by the ARCHITECTURAL COMMITTEE pursuant to the terms hereof. Whenever it deems appropriate the ARCHITECTURAL COMMITTEE may hire professionals to assist it in performing its responsibilities hereunder and all costs incurred by the ARCHITECTURAL COMMITTEE in performing said responsibilities shall be paid by the ASSOCIATION.

ARTICLE X. USE RESTRICTIONS AND OBLIGATIONS

1. **Non-Commercial Use.** No part of the PROPERTY shall be used for any commercial purpose. Nothing herein, however, shall be construed to prevent an OWNER from engaging in the raising of fruit, vegetables, orchards, gardens or rendering professional services of a purely personal nature as long as services do not attribute to a UNIT or any improvements thereon any appearance of a commercial use. Horse raising and breeding, subject to subsection 6(A) of this Article, are, for purposes of these restrictions, not considered to be of a commercial nature.
