

SANDALWOOD AMENITIES

LAKES

Sandalwood features three spring-fed lakes — Patti Lynn Lake, Lorrie Lake and Robin Lake — with a floating pier, paddle boats, canoes, and on-duty lifeguard. Residents may enjoy swimming, fishing, boating, or walking along the winding hike-and-bike trails within the community. The lakes are named for the developer's daughters.

GARDEN CLUB

The Sandalwood Garden Club (SGC) helps to build a close community within our neighborhood through civic beautification, social events, and care of our neighbors. While the SGC is separate from the Sandalwood Civic Club, we work together to provide an environment welcoming to our neighbors.

SECURITY

In addition to being patrolled by the Constables of Precinct 5, Sandalwood is also patrolled by a private security company. This ensures that our neighborhood is as safe as possible.

AREA SCHOOLS

Sandalwood homes are zoned to some of the best schools in Houston including Frostwood Elementary, Memorial Middle School, and Memorial Senior High School.

Frostwood Elementary

Memorial Middle School

Memorial High School
