Home features that we have really enjoyed:

I have really enjoyed the openness of the house. The pool has been a wonderful asset to have in Houston. My back yard covered patio has also be great.

My large front porch has been great for visiting with friends and neighbors. Having a gameroom upstairs for children to play.

The type of person I think would love my home the most is:

A family with children an or grandchildren.

...because of these features:

Large rooms, pool and spa. The house is on a culdesac.

How would you describe your home to a buyer?

Open and airy with neutral colors throughout the house. A great quiet backyard with an amazing pool and spa.

What are the features you like most about your neighborhood/area:

Everyone in the neighborhood is very friendly and there if you need them. The two playgrounds and greenbelt for walking or running are great. Stores are close by.
