911 address signs will be made by Trafco Industries in Eagle Lake, TX. You can order your sign through our website at www.austincounty911.net. Signs are available at a charge of \$12.00 each and can be picked up at Trafco Industries. For an **additional** \$15 fee, the sign can be shipped to you. Order must be placed by 3:30pm Friday to be picked up or shipped by the following Friday.

It is important that your 911 house number is clearly displayed at the entrance to your driveway where it can be easily seen from the street by emergency personnel. You should take this letter to your local post office to set up delivery service and to verify zip code.
