

Upgrades we love at 719 Mesquite Drive

Master bath and upstairs bath have both been updated. The kitchen counters and backsplash have recently been updated as well. The kitchen updates tie in nicely with the bathroom updates to keep the flow of the design. We love the new floors as well. They have a great rustic charm!

Air ducts professionally cleaned 3/2022

Fireplace professionally cleaned 3/2022

New Larson Platinum safety featured glass storm doors 4/2022: two glass panels, break in protection, blocks 99% UV rays, multi-point (locks in 3 places) locking system, heavy duty weather stripping, click & hold technology to hold doors open.

New spigots around the house.

Welcome Home!
