

Top 10 Things We Love About 719 Mesquite Drive

We love watching all the deer!

The garden is wonderful. Currently growing green beans, watermelon, jalapeños, lettuce, and tomatoes.

Our boys really love climbing the tree.

The building out back has a ton of extra space. Two attic flooring spaces, electricity, air conditioner, and water. Is a great working space or She Shed!

The neighbors are amazing and extremely helpful.

It feels like you're in the country even though you are in the middle of town.

The tall ceilings and the openings on the second floor are wonderful and make it really open.

Lots of hours spent around the fire pit in the back behind the building.

Great space for a growing family.

Wonderful and relaxing backyard.

Welcome Home!
