

***Seller ordered this custom front door entrance insert about 6 months ago and paid approx \$12,000 for it. Since then they found their dream home in Kelliwood. But since this Custom Door insert was already paid for they are having it installed in 2 weeks. It looks amazing. If you look at the next page you will see a Mock Up of what it will look like. It is a picture of their entrance now with a Mock up picture pasted over the entrance to show what it will look like. In the pic it looks blue, but it will actually be wood color.
