Re: Notice of Intent to Administratively Close
Hutto Garbage Services - Registration Number MSW-40033
Houston County, Texas
CN: 600321871 RN: 100629716

Dear Mr. Goodin:

The purpose of this letter, submitted on behalf of Waste Connections Lonestar, Inc., is to provide notice of intent to administratively close Hutto Garbage Services transfer station (Texas Commission on Environmental Quality Registration No. MSW-40033) in Houston County, Texas. The facility has been inactive since August 11, 2020. The facility intends to complete the closure certification and submit it to TCEQ on December 13, 2020 as required by Title 30 Texas Administrative Code (TAC) §330.461(a).

This notice is provided per Title 30 TAC §330.461(a). Closure certification procedures will be conducted in accordance with Title 30 TAC §330.461. The facility will be prepared for closure in accordance with Title 30 TAC §330.459.

One original and one copy of this letter is provided for your use and distribution. A copy of this letter was sent to the TCEQ Region 10 office. Additionally, a copy of this letter was placed in the site operating record for this facility. An electronic copy of this letter was posted online at www.ftweaverboos.com and also emailed to mswper@tceq.texas.gov.

During the course of your review, if you need additional information or have any questions, please call.

Sincerely,
Weaver Consultants Group, LLC

RECEIVED

February 11, 2021
TCEQ Region 10
Bosque

Dear Mr. Goodin:

The purpose of this letter and attachments, submitted on behalf of Waste Connections Lonestar, Inc., is to request a voluntary revocation of MSW Registration No. 40033 for the Hutto Garbage Services transfer station located in Houston County, Texas in accordance with Title 30 Texas Administrative Code (TAC) §330.461. The facility closure activities have been completed in accordance with Title 30 TAC §330.59. The following is provided in this submittal:

1. Attachment 1: The Texas Commission on Environmental Quality's (TCEQ's) Request for Voluntary Revocation of Registration form.
2. Attachment 2: Engineer's Certification of the final closure activities.
3. Attachment 3: Newspaper Notice
4. Attachment 4: Applicant Certification

Waste Connections Lonestar, Inc. does not intend to resume operations at the Hutto Garbage Services transfer station, which ceased operations on August 11, 2019 (Note that this date was inadvertently listed as August 11, 2020 on the initial notice to TCEQ dated September 14, 2020). This Request for Voluntary Revocation of Registration has been prepared as required by Title 30 TAC §305.67 which allows permittee to request revocation of a permit (registration).

The Hutto Garbage Services transfer station has been closed in accordance with the Site Development Plan (SDP), Site Operating Plan (SOP), and Title 30 TAC §330.459 – "Closure Requirements for Municipal Solid Waste Storage and Processing Units." All waste, waste residues, and any recovered materials have been removed, and the transfer station facility components are either removed off-site, dismantled, or decontaminated. All sumps and drains have been cleared of debris, and all litter has been collected from around the facility. The gate is locked, and a sign has been posted to notify the public of the closed status of the facility.

REQUEST FOR VOLUNTARY REVOCATION OF REGISTRATION

**WRITTEN CONSENT OF
THE SOLE DIRECTOR OF
WASTE CONNECTIONS LONE STAR, INC.**

The undersigned, being the sole director of Waste Connections Lone Star, Inc., a Texas corporation (the "Company"), hereby consents to the following actions and adopts the following resolutions:

WHEREAS, the Company's sole director wishes to authorize the Company's employee listed below to perform certain administrative tasks on behalf of the Company.

BE IT RESOLVED, that Gary Bartels, Region Engineer of the Company, is hereby authorized to execute by and on behalf of the Company any and all documents required in connection with the permit and regulatory applications, reports, filings, and other documentation relating to and necessary for the day-to-day operations of the Company, including, without limitation, permit renewal applications and reports to be filed with the Texas Commission on Environmental Quality, and all other documentation related thereto, and that any action taken to date involving the foregoing is hereby ratified and approved.

IN WITNESS WHEREOF, the undersigned sole director of the Company has duly executed this Written Consent in The Woodlands, Texas on the date set forth below.

Dated: January 17, 2020

Worthing F. Jackman, Director

ENGINEER'S CERTIFICATION

This engineer's certification has been prepared to meet the requirements set forth in Title 30 TAC §330.461(c)(2). I visited the facility on November 30, 2020 to verify that the closure activities were completed in accordance with Title 30 TAC §330.459. I certify that:

- All waste, waste residue, and any recovered material have been removed from the facility.
- All transfer facility components are either removed from the site or properly dismantled and decontaminated.
- There was no evidence of a release from a municipal solid waste unit.
- No recyclables or any other waste, feedstock, contaminated water, petroleum products, etc. verified to be non-exist within the facility property.

I certify that all closure activities were completed in accordance with the Site Development Plan (SDP), Site Operating Plan (SOP), and Title 30 TAC §330.459 - "Closure Requirements for Municipal Solid Waste Storage and Processing Units."
