All dimensions are approximate. Window configurations may vary based upon elevation chosen. Purchasers may review detailed architectural drawings available in the sales office to ensure accuracy and understanding of home chosen. Please be advised that the square footage in the architectural drawings will be greater than that shown in this brochure because the architectural drawings include square footages for Common Elements which are adjacent to but not part of the home. All finished square footage calculations for this home were made based on plan dimensions only and may vary from the finished square footage of the home as built. We are pledged to the letter and spirit of U.S. policy for the achievement of equal housing opportunity throughout the Nation. We encourage and support an affirmative advertising and marketing program in which there are no barriers to obtaining housing because of race, color, religion, sex, handicap, familial status or national origin. 07/26/16
