

## Interview with the Sellers

Thank you for touring our home. We would like to share some information that we felt might help you in deciding on your new home.

1. Why did you decide to buy this home for yourself?  
The moment we stepped into the home, we felt the love of a family. Being 7 months pregnant, the two little kids' rooms gave us the feeling that this was the home our kids deserved.
2. What do you think are the best features of your home?  
The main bedroom, truly. Space for an entire office in the lower tier, along with a ton of space for a king sized bed in the upper tier.
3. Tell me about your neighborhood.  
Full of families and children, lively, and welcoming. We've watched many families grow, stroll through, and thrive in this area.
4. What are your favorite places for recreation, shopping, and eating nearby?  
We love driving across I-10 to Target, then stopping by HEB to get some food for dinner. When the kids need to let off steam, we go over to the Altitude Trampoline Park near Kohl's.
5. Are there any items you want specifically excluded?  
Honestly, no.
