Home Features & Upgrades

- Spacious and centrally located ½ bath
- Vintage light fixtures in entry, dining, and ½ bath
- Storage, storage, storage! So many built-ins, closets, and large his/her closets in master bath
- Location is unbeatable. Very close proximity to park, pool, and greenbelt, and at the same time set apart from neighbors and quiet.
- Whole house generator - has helped us through many power outages.
- Double jack-and-jill upstairs baths. Perfect for large family.
- Wooded view from the breakfast room bay window. Beautiful way to start the day!
- Upgraded double oven and Thermador five-burner gas range
- Tankless Rinnai water heater
