

What I Love About My Home

1. The location of the house with great schools, parks, pathways, pools in the safe, and family friendly neighborhood.

2. The house is located on the elevated neighborhood and did not flood during major hurricanes.

3. Additionally, the foundation of the house is elevated to prevent any flooding.

4. The spacious backyard

5. The sky view window in the kitchen

6. High ceiling in the living room, the office, the formal dining room and in the kitchen

7. Hardwood floor in all rooms
