

WHY WE LOVE THIS HOME

-what the owners are saying

- **Absolutely love our backyard oasis! It could probably claim the top five spots on this list if it was allowed.**
- **The location is awesome. Combines a little bit of an “out of town” feel but has easy access to The Woodlands.**
- **Really have enjoyed the open floor plan. Allows for great hosting of family/friend gatherings.**
- **Bush Elementary and Mitchell Intermediate have been amazing for our two boys.**
- **Love the size/functionality of the gameroom.**
- **Three downstairs bedrooms has been a huge plus for us.**
- **Foster’s Ridge is full of good people and diversity. Holidays, community events and food truck events are great.**
- **There is a lot to do close to us! Food truck parks, theaters, restaurants... the area is really booming.**
- **This area is great for kids...sports, activities, nature, etc.**
- **The little things that have made this house our home...from the custom paint/tin ceilings/backyard design...we poured a lot of ourselves into this house and hope the next owners will too!**
