

## Certificate of Occupancy

**Permit #:NC 1926**

This is to certify that a final inspection of a certain structure erected on the premises located at:

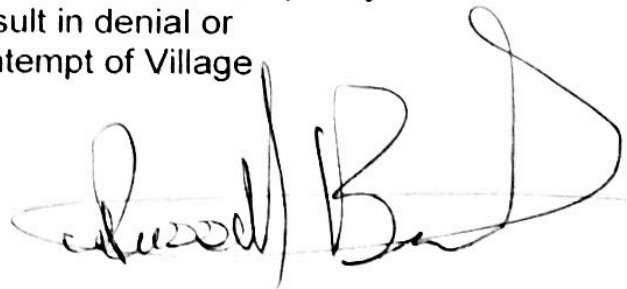

**1241 Sailfish**

Was built in accordance with the approved plans and materials and the Building Official is satisfied as to substantial compliance with the The City of Bayou Vista building requirements. All required electrical, gas, mechanical and plumbing are in compliance and in working order. This building is ready for occupancy.

Any alterations or additions done after the date this Certification of Occupancy is issued without obtaining a new building permit may result in denial or cancellation of flood insurance, as well as fines for contempt of Village Ordinances.

**12/1/2022**

Date

A handwritten signature in black ink, appearing to read "Edward B. ...", is written over a horizontal line.
