Job No: 9394692

Church Foundation Repair has recently completed repairing your foundation. As stated in your contract we facilitated the installation of 21 pilings at the approximate locations shown on the enclosed sketch.

We at Church Foundation Repair demand quality in our workmanship and stand behind our work by offering a lifetime transferable service agreement. Enclosed is our agreement regarding the foundation repair work conducted on your residence and the lifetime service and unlimited transferability provisions. Please note that we need your help to keep water from ponding/standing around the foundation, which requires constant maintenance of grade, gutters and/or drainage systems around the residence.

The enclosed sketch of the piling locations and lifetime service agreement should be kept in a safe and convenient location for your future reference.

Thank you for allowing Church Foundation Repair to perform the repairs at your home.

Sincerely,
