#### UPDATE TO THE SELLER'S DISCLOSURE NOTICE CONCERNING THE PROPERTY AT 10587 FM 365, Beaumont, TX 77705

Seller is aware of the following new information regarding the condition of the Property. Section(s) Section 2 are changed to read (cite specific sections and copy the applicable language in the sections verbatim, making any necessary changes):

Randomly, tiny piles of sawdust appear on the wooden floor in the great room. This has occurred maybe once or twice a year over the past 10 years. No insect has ever been seen. The penetration in the floor is barely visible and cannot be seen after removing the sawdust. A professional pesticide company inspected the entire residence and found no evidence of termites, ants, or any other insect. The flooring professional offered little of no explanation. The wooden floor was installed in 2008 and is in very good condition. We have no concern about the beauty or the integrity of the floor.

This Update to the Seller's Disclosure Notice was completed by Seller as of the date signed. No person, including the broker(s), has instructed or influenced Seller to provide inaccurate information or to omit any material information. The brokers have relied on this information as true and correct and have no reason to believe it to be false or inaccurate.
